## CLIPPERS DEFEAT LEAGUE LEADERS

Lloyd Sterling's Fine Pitching and Kearney's Fielding Featured.

Lloyd Sterling's good box work, coupled with some fine fielding by Kearney at short, gave the East St. John Clippers their first win of the season over the Portland City League leaders, in a game on the North End diamond last evening, 8 to 2. From the second inning on, the Clippers kept piling up runs and were never threatened until the fifth.

In the fifth the Portlanders scored two runs on three singles and a base on balls. They threatened in the sixth when Hannah and Pierce got on by safe hits but fast work by Kearney again shut them off.

The Clippers' third double play came in the seventh when Corrigan and Bartlett were the victims.

## FRENCH OLYMPIC TRIALS SATURDAY

Two Brothers Run the 100-Metre Event in 10 and 4.5th Seconds.

Two French records were broken and another record was equalled in Saturday's events of the French amateur athletic championships and Olympic tryouts. No new talent was revealed, however.

Bontemps gave the finest performance of the day, winning the 300-meter steeplechase in 9 minutes 44 seconds, beating his own French record by 4.3 seconds and bettering the Olympic time by 18.4 seconds. He drew away from the pack at the very start and led at the tape by 60 meters. Guillemin started in this race, but found the pace too hot and dropped out.

The other new record was in the running broad jump, won by Louis Wilhelm with a jump of 7 meters 12 1/2 centimeters. He beat his own national mark by 1/2 centimeter.

Both the Mourion brothers, Andre and Rene, equalled the 100-meter dash record of 10.4 seconds, but Andre, who is the French champion, won the final. Coffee and Hester both equalled this time at Montreal last week.

Wirth captured the 800-meter run in 1 minute 58.4 seconds. The Olympic record for this event is 1 minute 51.9 seconds.

Taga Guameul, Moroccan athlete, won the javelin with 60 meters 99 centimeters. Paoli, the French weight throwing champion, was first in the shot put with 13 meters 40 centimeters. Dolgues won the 5,000 meters, his time being 16 minutes 24 seconds.

## GREB FAVORITE OVER TED MOORE

Milk Fund Show Boxers Reported in Good Fettle for Thursday.

The ring at the Yankee Stadium will be thick with flying fists swung in the cause of charity next Thursday night when the annual outdoor boxing carnival will be held for the relief of the Milk Fund beneficiaries. A card of forty-seven rounds of boxing if all contestants go their scheduled distance.

The world's middleweight championship will be at stake in the featured match. The American light-heavyweight champion will be on exhibition in another contest, and in still a third bout the negro middleweight favorite at odds of about 2 to 1, or 3 to 1. The speed, tireless energy and ring generalship of the champion have made him a favorite with the majority of sport followers. His feat in knocking out Frank Moody, English middleweight, who enjoyed the distinction of being the first man to score a knockout over the rugged Lou Bogash, has increased Greb's popularity at the same time enhanced the approaching bout.

Moore has a legion of supporters whose individual units are confident the English boxer will emerge from the bout champion. His friends are solidly behind the young Englishman, who, since his arrival in this country, has acquitted himself admirably in the ring. These supporters of Moore expect that the lad from the British Empire possesses the fighting style required of the boxer who is to supplant Greb as champion. Moore is a rugged, aggressive boxer, a punishing puncher and a particularly effective biter at close quarters. With his body punching, which he has demonstrated in his bouts since coming to this country, developed to a high state of perfection and effectiveness, Moore is expected to weaken Greb and so interfere with the champion's speed and agility. In this event Moore's friends expect the Englishman to out-hit and out-score Greb as the bout progresses, for Moore has demonstrated his ability to withstand a fast pace and the punches of a rival while pressing his untiring attack.

Tunney Will Test Spalla. Gene Tunney will be a participant in the secondary feature. The American light-heavyweight is scheduled to test the fighting qualities of Ermilio Spalla, widely heralded Italian heavy-weight, who has come to this country in quest of bouts after surviving fourteen rounds with the destructive Italian Luis Firpo. This contest is scheduled for twelve rounds. Because of the fact that it will be Spalla's first appearance here in eighteen months, little accurate advance information is available on the Italian. Tunney, however, will enter the ring a favorite and many expect him to win by a knock-

out as his first step in a campaign among the country's heavyweights. Angel Firpo, Argentine heavy-weight, will furnish the action in the struggle for the negro middleweight title. This title now is in possession of Gans, who, up to a short time ago, was regarded as one of the greatest welterweights and middleweights in the country. Gans, however, appears to be deteriorating, while Estridge, a hard-hitting southerner who is a graduate of the local amateur ring, is advancing steadily. The contest promises a spirited struggle between a fast, clever and experienced boxer in Gans, and an awkward left-hander who boasts a terrific punch.

Paul Bedenbuech, Astoria light-heavyweight, and the speedy Young Strubling of Macon, Ga., may clash in a six-round bout, which stands out as one of the most attractive matches of the year. Paul's eye has been injured and he may not appear.

## "Big Business"

"Box fighting," as Leach Cross insisted when his father wanted him to take up the clock and suit profession, "is a business." It was a fortunate moment for Pa Strubling some 20 years ago when the nurse issued from the room and told him "it's a business." Pa and Ma Strubling began instructing the boy as soon as he was able to stand on his feet and incidentally punishment. And while he was yet in high school at Macon, they eased him into the box fighting business.

Here is a clue to the earning power of Willie Strubling, going on 20, for a period of about five years. For the McEligue fight at Newark, \$7,000. For stopping Joe Quinn, at Appleton, Wis., \$2,100. For stopping Ted McEwen at Salisbury, N. C., \$750. For a name fight with Walter Rollo, at Norfolk, Va., \$2,000. For six rounds with Mike Burke in the Olympic Benefit Show in Madison Square Garden, \$7,000.

For boxing Tommy Burns at Toronto, \$3,000. For stopping Harry Pay at Youngstown, O., \$2,000.

That is roughly \$28,000 as the takings for a little more than a month. Writing off Saturdays and Sundays as days of repose, it will be seen that the Willie's earnings have been a little faster rate than \$1,000 a day. Neither does this schedule take into account the percentage prizes conceded to Willie by the promoters of some of these fights. Possibly, under the percentage option, he will collect a few thousand more. If he does well, Willie soon will have enough to take his girl, if any, for a Sunday afternoon trolley ride.

## HOLD PRO LEAGUE MEETING TONIGHT

A meeting of representatives of pro teams at Moncton, Fredericton and the War Vets, St. John, will be held this evening to determine what course of action will be pursued relative to games from now on. It is understood that the idea of bringing in barnstorming United States teams is not viewed with much favor here as a guarantee must be paid for every game. While that must be paid for either Fredericton and Moncton, the managements counted on games between local teams to make up the difference. Definite decisions, however, are expected at tonight's meeting. W. S. Hooper of Fredericton, W. E. Vaughan, Fredericton, J. Vincent Shea, War Vets, and C. R. Wolf, Moncton, will attend tonight's meeting.

## FAMILY REUNION

Mrs. Samuel Goddard, of Springfield, held a reunion of her family on last Saturday. There were present at her home her son, G. C. Goddard, of Brooks, Me., with Mrs. Goddard and their two sons, Cecil and Ralph; her daughters, Mrs. Snarr and son, Garfield, and Mrs. R. M. Gross, Mr. Gross and their daughter, all of Pettaucott; Mrs. Thomas Kilpatrick and Mr. Kilpatrick and children, Maurice and May, of Fairville; Mrs. Fred Miller and Mrs. Freeman Collins and son, Collins, of Alexander and Hedy Kilpatrick, all of St. John. Saturday was spent in picnicking. Mr. and Mrs. Goddard, who motored from their home in Brooks, have returned. The other members of the party turned by motor to the city and vicinity.

## SHIELDS PITCHES CAPITALS TO WIN

War Vets Lose Out at Fredericton Last Night by 11 to 5.

The War Vets, with Beaty pitching and Art Finnmore behind the plate, proved no match for Fredericton's outfit last evening at the capital, the locals losing, 11 to 5. Shields pitched for Fredericton, striking out men.

## HOLY CROSS STAR WINS 32 GAMES

Carroll Has Met But Three Defeats in the Last Three Years.

A college baseball team, no matter how strong and well coached, is seldom able to complete a season without a defeat. The Holy Cross team accomplished this feat in the season just past. The Worcester nine played eight games, but the Holy Cross team, who won 32 of the 35 games which he played during the last three years at college, lost only three. Carroll, who has been pitched during his three years at college, was the most spectacular. He struck out 17 men and employed a fast ball which was worthy of a big league moundman. Carroll has one more year at Holy Cross.

The high light in the 1924 season of Holy Cross was the 14-inning pitchers' battle between Carroll, the Purple moundman for Princeton, which ended in a 3 to 2 triumph for Holy Cross. In this contest Caldwell pitched a steadier game, but Carroll, who has won 32 of the 35 games which he has pitched during his three years at college, was the most spectacular. He struck out 17 men and employed a fast ball which was worthy of a big league moundman. Carroll has one more year at Holy Cross.

## FIRPO AGREES TO MEET HARRY WILLS

Argentine Heavyweight Wires Acceptance of Terms for Bout in U. S.

New York, June 23—Negotiations for a 16-round match between Luis Angel Firpo, Argentine heavy-weight, and Harry Wills, 220 pound negro, which have been pending for the last two months bore fruit today when Tex Rickard, promoter of the match, announced the receipt of a cable from Firpo definitely accepting the promoter's final terms. The heavyweights have agreed to meet on a percentage basis some time during the latter part of August, the exact time and place to be announced by Rickard after the Democratic Convention.

It is likely, however, that the match will be taken across the Hudson to New Jersey and staged in Rickard's arena on Boyle's thirty acres. Firpo's champion title, it is held until August 20, prompted the promoter to concede this point to the "Wild Bull of the Pampas."

## GARRET GILMORE ENTERS DIAMONDS

Small Field Entered for Historic Contests Next Week at Henley.

Entries for the Henley Royal Regatta from crews and scullers outside the United Kingdom have been officially announced. As the Olympic regatta at Paris will be held within a week of the Henley on the Thames, the entries for the English rowing classic regatta have fallen below the average, and for the first time in a number of years there will be no foreign competition for the Grand Challenge Cup. In the Diamond Scull the entry of W. E. Garrett Gilmore of Philadelphia, U. S. A., was received by cablegram and accepted, subject to the posted entry form being in order. The other outside entry for the Diamond sculls, which will be the feature of the regatta to be held on July 2, 3, 4 and 5, is Hilton Belyas. The outside entry for the Thames Challenge Cup is Nine Bixio, R. C. Placencia, Italy, while those for the Silver Goblets are A. C. Beyer and W. H. E. K. Rosing, Holland, and M. Bernasconi and E. Laur Lausetti, Italy.

## ABBIES' LEADER PASSES AWAY

## FIGHTS ON THURSDAY

New York, June 23—Because of an eye injury sustained in a bout last week, Paul Berlenbach is not expected to be able to oppose Young Strubling in one of the four star bouts arranged for the Milk Fund show Thursday night at the Yankee Stadium. Efforts are being made to substitute Jimmy Slattery, of Buffalo.

Harry Greb will defend his world's middleweight title against Ted Moore of England, in a fifteen round final.

Gene Tunney, American light-heavyweight title holder, will clash in a 12 round semi-final with Ermilio Spalla, Italian champion.

## DETROIT NOW IS IN FIRST PLACE

New York Drops Double-Header to Washington—Three Homers.

New York, June 24—The American League race is fast developing into an eight-ball juggling act. Connie Mack's Athletics are the only team capable of maintaining equilibrium from day to day. While Philadelphia keeps a death grip on last place by the comfortable margin of six games, the other seven clubs shift position with bewildering frequency.

Detroit went into first place by remaining idle because of rain while New York dropped a doubleheader 5-3 and 4-2 to the sensational Senators, who won their fourteenth victory in the last 21 starts and advanced from fourth to third place, only one point behind the Yankees. The Red Sox, losing both ends of a double bill to the Athletics 2-0 and 6-3.

Cleveland tied the Browns for fifth by winning two games from Chicago 4 to 3, and 4 to 1. The Giants, by 12 to 5, registered their ninth straight victory against the Brooklyn Robins this season.

Wilbur Cooper, the Pirates' ace, out-pitched Adolfo Luque, and Pittsburgh beat Cincinnati 4 to 2.

In a twin bill featured by home runs Philadelphia scored a two ply win over Boston by scores of 7 to 3, and 11 to 7. Cy Williams, Stengel and Couch hit four base blows.
