At the close of the year the number of scholars on the roll was two hundred and nine. The average attendance during the year 1879 was one hundred and fifty-six. Forty-six were admitted, and eighty-three left. The staff of Teachers numbers at present thirty-four, a decrease of nine as compared with last year, which is accounted for in the following reference embodied in the last annual report:—"This is owing to illness.

and remander leave in suffered steachers Most of Father, to one—Mr. ber. He took a spedifferent part of the steachers took a spedifferent part of the steachers took a spedifferent part of the steachers and the steachers are took a spedifferent part of the steachers are took a spedifferent part of the steachers are took as the steachers are the steachers are took as the steachers are the stea
