

telegram, has handed to Mr. Goschen the plans that have been submitted to his Government for the creation of an Egyptian National Bank.

A fire took place last week, at Canterbury which destroyed some property; one of the Members for York, R. ROBINSON, Esq., aided materially in saving the adjoining house, and Dr. COCKBURN of this town, who was in the village on a professional visit, succeeded in preventing another building from destruction. Such acts are worthy of record.

The New Zealand Government has been reconstituted, and includes three new members. The ex-Premier, Sir Julius Vogel, has been appointed Agent-General for the Colony in London.

DANGERS OF THE SEA.—The steamer Arbitrator left New Orleans, August 9, for Liverpool. On August 23, when about 100 miles off Halifax, she struck a ledge of floating ice, and ran right upon it as far as the foremast. She then made water rapidly, and went down stern foremost, the ice holding her up forward. After being in the boats several hours, the crew were picked up by the brigantine Baltic, and landed at Dublin.

DIED.—At Chamecock Lake, on the 28th Aug., Mr. Wm. Wiley, aged 41, leaving a wife with four children, with numerous relatives to lament their loss.
