## CHURCHILL WILL VISIT CANADA

Expects to Sail During Last Week in July

Lord Elgin Colonial Secretary Will Soon Follow Suit—Court Retiree About King's Visit

MONTREAL, July 10.—The Star's London cable says: Winston Churchill is arranging to spend the autumn visit-

WINSTON CHURCHILL

ing Canada. He sails during the last week in July. It is hoped that Lord Elgin, colonial secretary, will soon follow suit, for, though born in Monksland, Montreal, he knows nothing of modern Canada. He is not likely, however, to arrange to be in Canada for some time. Winston Churchill would prefer to have the stage all to himself. Should the King visit Canada in the late autumn, as is still hoped, Lord Elgin would probably accompany him, also Lord Strathcona. Court circles are keeping the severest reticence, as always, respecting the King's intentions.

### THOMPSON LINER CERVONA ASHORE

MONTREAL, July 10.—Thompson liner Cervona, which left Montreal for London last Saturday, is ashore five miles west of South Point on Island Antiochi. Captain Stocke reports to the effect that the Cervona is making no water. Arrangements have been made for Strathcona and Davies wrecking plant to go down to the vessel. The Cervona was built of steel on the Clyde in 1896 and is of 3,780 tons gross register; length 388 feet. She was bound to London with a general cargo and cattle.

### KILLED HER ASSAILANT; DISCHARGED BY MAGISTRATE

SWEETSBURGH, Que., July 10.—Mrs. Edmund Tracey, who has been confined in Sweetsburgh jail for the murder of Howard Tracey, was discharged this morning by district magistrate H. W. Mulvena after a preliminary hearing. The evidence, said the magistrate, showed that the frail, weak woman, none too young, had been left alone in an isolated house with two small children. She had been attacked by an able bodied man who wore no much intelligence, and she had thought her only way of safety lay in shooting her assailant. He did not think any jury could be empaneled in the district of Bedford would bring such a woman in guilty. He therefore discharged the accused.

### THE SAN FRANCISCO PICTURES.

The pictures of the recent calamity in San Francisco to be seen at the Opera House July 12, 13 and 14 are sure to prove of interest to local theatre goers. No doubt there are many residents of St. John who have been in San Francisco, have relatives or friends there and to these the pictures should prove of greater interest. They are accurate and vividly tell the tale of the calamity as no pen could describe it. Miss Rose, of San Francisco and New York who made the pictures lost a studio valued at \$80,000 in the disaster but the camera was not damaged and she was able to direct the destruction of the chief city of the west and preserve and make ready for reproduction. Leonard J. Mack, a former member of the Alcazar Theatre Stock Company, of the ill fated city, gives an excellent description of the pictures as they are shown and no detail of realism is lacking. In addition a series of new comedy and sensational films will be shown. Meyer Cohen is directing the tour.

HALIFAX, N. S., July 10.—Francis P., the six-year-old son of John Tobin, 75 Water street, was drowned in H. D. McKenna and Co.'s dock this afternoon. The boy had been playing about the wharf and had fallen in. The doctors say the boy was in the water about an hour when recovered.

### BASEBALL

#### INTER-SOCIETY LEAGUE.

About one hundred and fifty people were disappointed at not witnessing an inter-society league match on the Victoria grounds last evening, but enjoyed a game between the St. John and a scrub team, picked up on the grounds. The game scheduled for last evening was between the St. Peter's Fairville team were early on the field, but no other league team put in an appearance. It was explained that St. Peter's claimed that they had played their limited number of games with the Fairville team. At the St. Peter's team on May 24th in place of the F. M. A. team. The St. Peter's team was scheduled for last evening, they should have been there in the light of the fact that the only league team present, they took their positions. Umpire McAllister called "play ball" and the usual time was wasted, and there being no batters, the game was awarded to St. Peter's by a score of 9 to 6. This matter will probably be the chief matter of discussion at the next league meeting.

The spectators called for a game and the Fairville boys willingly took on a scrub team of ten players and were successful in winning a five-inning game by a score of 3 to 1.

St. Peter's... 10 2 0 x-3  
Scrub Team... 1 0 0 0 0-1

The game was forfeited to St. Peter's, it leaves the league standing as follows:

Won. Lost. P.C.  
St. Peter's... 10 5 .697  
F. M. A... 6 5 .545  
St. Joseph's... 5 6 .455  
St. Rose's... 4 8 .333

### ST. PETER'S STATEMENT.

Representatives of the St. Peter's team called at the Sun office last evening and stated that at the regular league executive meeting preceding May 24th it was decided that the league game scheduled for July 10 between St. Peter's and St. Peter's be played on the 24th of May. They also stated that they notified St. Rose's early yesterday of this effect, and understood there would not be a game.

### WEST END LEAGUE.

In the west end league last night the Jubilee and Martellos played for five innings, both teams having one run to their credit. The game was the best played in Carleton this season, and neither team could be said to have outplayed the other. The batteries were: Jubilee, Murphy and Rootes; Martellos, Adams and Seely.

### THE RING

#### BERGER AND O'BRIEN.

OCEANIC, N. J., July 9.—Sam Berger, the big Western fighter, who held the amateur heavyweight championship of the Coast for some time, is training here in preparation for his fight with Philadelphia Jack O'Brien at the National A. C., Philadelphia, on July 15. Berger has shown such wonderful speed and aggressiveness that the local followers of the fight are confident that he will be fully the conqueror of the big Quaker City man.

Berger has been training here principally with Eddie McCallide and Patay Corrigan, but he tackles any one who happens to come along. In this village there is a big blacksmith by the name of Tom Patterson, who used to work with Jim Jeffries when the latter was in training at this town. Jeffries was always pleased to have Patterson as a sparring partner, as the big wielder of the hammer had lots of speed, took plenty of punishment, and was able to hand out some pretty stiff blows.

Patterson showed up here yesterday and offered to have a little go with Berger to see whether he was fit. Berger was ready for the mill and they were soon mixing it. In the first round Berger got a fast one on his man that put him out completely. Such a feat was never accomplished by Phil and it now behooves Philadelphia Jack to look out for his laurels.

Berger has developed remarkable speed in the two weeks he has been here, and is now in finer shape than ever before. Jack Gleason, his manager, is sanguine that Berger is going to give O'Brien a pretty rough mill at the National, and expects to see him get the decision.

She is 25 feet on the waterline, and 25 feet over all, and has a 2500 pound keel. The Pei-Yuen was built at New York in 1906, and is one of the Crownshield's designs. She is also rigged and can carry six people. The yacht has a large spread of canvas and is said to be very fast. She will be a fine addition to the R. K. Y. Club fleet.

Mr. and Mrs. Thos. F. Davis and son of New York City arrived here yesterday by steamer Calvin Austin. They are visiting Mrs. Davis' mother, Mrs. J. B. Andrews, Elliott row.

Andrew Craig left last night for Winnipeg, Man.

### MOTHER SURVIVED DAUGHTER ONLY A FEW HOURS

Mrs. Clifton Cook Died Saturday and Parent Sunday—Daughter Who Nursed Later Collapsed and Is in a Critical State.

DORCHESTER, N. B., July 10.—The death of Mrs. Cook, commander of the steam tug "Springhill," of Parrboro (N. S.), for many years an honored resident of Dorchester, occurred Saturday. An abscess in the ear necessitated two operations from which the patient did not recover. The funeral took place yesterday, interment occurring in the family lot at Parrboro. Rev. F. M. Young, the pastor of the family, officiated, assisted by Rev. H. H. Thomas, of Dorchester. Among those attending the funeral from Dorchester were Mr. and Mrs. F. G. Palmer, Robert Cook, Chas. Cole and others.

Since the demise of Mrs. Cook her aged mother, Mrs. Cole, wife of the late Wm. Cole, died at Captain Chilton Cook's residence Sunday, where she had been living with her daughter. The body was brought to Sackville today for interment.

What makes the case especially sad, the daughter, who faithfully waited upon her mother until 36th came, collapsed and is now in the hands of two physicians and small hopes of her recovery are entertained.

Captain Cook has the sympathy of hosts of friends in St. John, where he is a familiar figure in shipping circles, and in Dorchester, as well as in Parrboro. Captain Herbert Chambers has taken temporary command of the Springhill during the absence of Capt. Cook.

The board of management of the Women's Free Baptist Missionary Society held a meeting in the Waterloo Baptist church yesterday afternoon. Various matters of business relative to the union of the Baptist and Free Baptist Women's Missionary Societies were decided upon. Among those present at the meeting were Miss Sunder, a former missionary to India, and Miss Gaudin, of Kings county, who is going to India this fall as a missionary. This afternoon at 2.30 o'clock there will be a meeting of the F. B. W. M. S. in the auditorium of Waterloo Baptist church.
