on the Victoria grounds this afternoon, and all should prove exciting. St. Peter's and the Marathons will again line up, while the Beavers and Carle-ton will meet for their final game. This game should prove interesting, as these teams are now tie for second place and when they met before the game was a tie. Both teams are confident of winning second place in the league, and the game should be better then the former match.

The Marathon and St. Peter's game also promises to be chosen from the following: Baskin, Davis, Stewart, Cougle, Murphy, Ring, Nelson, Shanklin, Pike, McLaren.

The first game will start at 2.30 sharp. The Marathon and St. Peter's game also promises to be good, as the society boys are bound to break the Marathons long run of successes, and with a fast half line should be able to score against the leaders, who have a clean sheet so far.
