MARKSMEN RETURN FROM THE ISLAND

The members of the St. John City Rifle Association who attended the shoot in Charlottetown, returned on the Pacific express yesterday afternoon and while they didn't bring the cup home the marksmen were well satisfied with their shooting, taking the weather conditions into consideration. The fact that Major J. S. Frost was taken suddenly ill on the range and was hardly able to hold a rifle greatly handicapped the St. John team. Major Frost was unable to accompany the team home.
The men who returned yesterday spoke in terms of the highest praise for the riflemen of Prince Edward Island and Nova Scotia, and said they were treated in the most courteous and hospitable manner. On Thursday, and after the close of the shoot, the visiting marksmen were entertained at a smoker in the Charlottetown armories by members of the Prince Edward Island Rifle Association.

WOODSTOCK AND ROCKLANDS PLAY TODAY

The semi-professional Woodstock team will be the attraction against the Rocklands on the North End grounds this afternoon and a fast game of ball may be expected. The Woodstock team is greatly strengthened since they last played here, when they won their two games. The Rocklands have strengthened up for this game and it is expected that Eddie Ramsay and Billy Riley will be seen on the team, playing in their old positions. The players in these teams are showing good, classy ball and the games are interesting. Next week the semi-professional league will be organized and the teams will have imported batteries and the games are expected to class with the ones that were played in the New Brunswick and Maine league last season.
