THE President and Directors of the St. John Mechanics' Institute offer the above prize to the writer of the best Essay on the History of the City a. d County of Saint John. Intending commetitors are requested to communicate with the Committee, and Essays are to be handed in by the 1st day of January, 1874. A concise and methodical statement of facts arranged in due time and a collection of valuable statistics is desired, rather than a romantic record of isolated events, but the writers are in no way restricted to a fixed style of treatment.
