### Spring Wheat Seed for Ontario

The world demand for wheat in 1918 justifies the greatest possible effort towards increased production. The small acreage of fall wheat put in last fall will mean increased acreage in Ontario available for spring wheat. The Ontario Government is co-operating with the farmers in order to provide seed. It has purchased 50,000 bushels of No. 1 Marquis Spring Wheat Seed through the Seed Branch of the Federal Department of Agriculture. More will be purchased if necessary to fill needs.

Distribution.—Seed is sold only in 2-bushel bags. Carloads will be placed at certain points in the province where less than carload orders can be filled. Where Farmers' Clubs or other organizations bring in carload lots, the price at their local station will be the same as at the distributing points.

Where to Buy.—Purchases may be made either in the warehouse at the distributing points, or orders may be placed with the nearest District Representative of the Provincial Department of Agriculture, or they may be sent direct by mail to the Markets Branch, Department of Agriculture, Parliament Buildings, Toronto.

Payment in Cash.—Price is \$2.74 per bushel at all local stations. In all cases, without exception, cash must accompany order. Send remittance by marked cheque, postal note, post office or express money order, made payable to Ontario Department of Agriculture, Markets Branch.

Order Early.—In the event of the requirements of the province being underestimated, there may not be enough seed to go around. It is advisable in order to insure having their orders filled that purchasers should place orders as soon as possible. All orders are subject to confirmation and will be filled in the order received. As seed is delivered in 2-bushel bags, order should be for even number of bushels, and no order for less than two bushels can be accepted.

### The Late Mrs. Galbraith.

In the death of the late Mrs. Jane Galbraith, which occurred at the home of her daughter, Mrs. Thomas, on Saturday, March 18th, there passed away one of the oldest and most esteemed native-born residents of the township of Ekfrid.

Mrs. Galbraith was a daughter of the late John Campbell and was born in 1832 on the old Campbell homestead in Ekfrid. She was the last surviving member of one of the township's oldest and most prominent families. She was married in 1858 to Neil Galbraith, and resided since that time on the north half of lot 15 in the 4th concession. On May 24th, 1875, her husband died, leaving her with a family of seven children, of whom all but one, the late Mrs. Peter McIntyre, survive her. They are Mrs. John B. Fletcher of Ekfrid, John C., on the homestead; George and Angus, also of Ekfrid; Mrs. John Thomas of Ekfrid and Mrs. Charles Olde of Metcalfe.

Mrs. Galbraith was one of those outstanding pioneer women who have exerted a great influence for good in the community where they lived. She was a woman of more than average mental and physical vigor, and left with a large family, by her industry, courage and ability assisted very materially in leaving them all in independent circumstances. She was a great worker and a good manager and was always counted a ready help in cases of sickness or need of any kind. She was a member of the Old School Baptist Church at Mayfair, and the funeral, which was very largely attended, took place on Tuesday last from the residence of her daughter, Mrs. Thomas, to Appin cemetery. The services were conducted by Elder J. B. Sulston.

If you are thinking of decorating your home, get a few pointers from Mr. Bulbus. He will be at the town hall next Tuesday evening.

### Another Organization.

Mrs. (Col.) A. A. Campbell of London, organizer for the daughters of the Empire for Military District No. 1, addressed a large gathering of Red Cross and other ladies interested in patriotic work at the town hall on Tuesday afternoon, describing in an interesting and lucid manner the objects and work of this nation-wide patriotic organization.

Mrs. Campbell's coming to Glencoe was in response to an invitation of a section of the patriotic ladies to organize a chapter of the Daughters here. Owing to the fact, however, that the work was being apparently well handled by the Red Cross Society, a similar institution, it was deemed inadvisable to establish a chapter of the Daughters at this time, and the matter was deferred until such time at least as the Red Cross Society completed its current year.

Afterwards, on motion of Mrs. W. A. Currie, a society to be known as the Ladies' Patriotic League was instituted, with the following officers:—Honorary president, Mrs. Mary McRae; president, Mrs. Aldred; vice-presidents, Mrs. Charlton, Mrs. Irwin; secretary, Miss Margaret Marsh; assistant secretary, Miss Gleda Hicks; treasurer, Miss Oldreife. The society, we are informed, starts out with a membership of 54.

Mrs. Aldred presided over the gathering and in a brief address introduced the speaker of the occasion, Mrs. Campbell, whom the ladies tendered a hearty vote of thanks and entertained at luncheon served in the hall at the close of the meeting.

F. for over two years, was wounded in action and admitted to the sixth casualty clearing station on March 10. This is the third time Pte. Stephenson has been wounded.

A peculiar story connected with price inflation in all lines is told by Wm. Rosebrugh, near St. George. "Three years ago," said Mr. Rosebrugh, "I contemplated putting in a furnace, but balked at the price of \$100. Last fall I felt compelled to make the improvement and meantime the price had jumped to \$200. However, I sold seven pigs for \$200, and these a little more than paid for the furnace. The pigs would not have paid for the furnace even at \$100 three years ago."

Limburger cheese laid away in cupboards and refrigerators will drive ants away. No doubt of it. It will drive a hole out of a yard; it will drive a spike in a brick; it will drive a tramp away from a meal of victuals; it will drive a mule through a barbed wire fence; it will drive a herd of cattle over a precipice; it will drive a negro away from a chicken roost; or a man to insanity who stays five minutes within ten feet of its unsavory presence. And yet some people sit up and eat the stuff and profess to like it.
