Suggests Use o. Jrage Buildings a son Mr. L. Sattler, Sr., has submitted th's suggestion on the housing problem in this city: "I suggest that the City purchase a number of the collapsible garages made in Preston. Put them on the old camping grounds and rent them for summer use to people who have no houses. Many people would enjoy living a camper's life in the hot summer months. These garages would answer the purpose. One would be big enough in most cases, if not you could use two. The garages, being bought in a targe number, could be gotten at a lower price than at the usual figure. I think the plan would be practical. I am opposed to the housing proposal under the housing act but I think that we could overcome the difficulty by using these garages in the summer themcoment in the proposed who clock at the Town Hall, Waterloo. Come and help organize for the next election which is probably near at hand. Among the speakers will be Dr. Mc-liroy, M.P.; I. E. Pedlow, M.P.; R. E. Truax, M.P.; Senator Ratz; W. J. Charlton, organizer, and W. D. Euler, M.P.

Delegates will be chosen for the big Ottawa Convention. 2-4-2ts.

Formal Opening Held.

The formal opening of the season at the Grand River Country Club took place on Saturday afternoon. A large number of members and friends were present for the occasion, which as in former years, proved a delightful one.

Owing to the heat the golling contest was eliminated from the program. There was therefore no distribution of prizes.

Tea was partaken of in the afternoon and as the evening a dance followed. The music for the occasion was rendered by Mr. Fred Krug's orchesta. The heat of the firm well known capable manners.
