BENJAMIN MACKIE. CURE OF TYPHUS FRVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH. A respectable female in the neighbourhood of Loughall, was attached with Typhus Fever. She lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for the days of the surgeon, and preparations were made for the desired to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured. N. B.—From advice just received, it appears that Colo-nel Devr, who is with his Regiment in India, the 21st Fu-siters, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, how-over malignant, may be cured by taking night and morn-ing, copions doses of this fine medicine. The patient should bei nduced to drink pientifully of linseed ten, or barley water.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STO-MACH COMPLAINT.

Extract of a Letter from his Lordship, dated Villa Messina Leghorn, 21st February, 1845. To Professor Holloway,

To Professor Holloway, Sin,-Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending your Pills as you did. I now take this opportuni-ty of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my iver and Stomach, which all the most eminent of the Faculty at home, and all over the Conti-nent, had not been able to effect; nay! not even the wa-ters of Carls, Bad and Barienbad. I wish to have another box and a pot of the Ointment, in case any of my family should over require either. Your most obliged and obedient servant, (Signed)

CUBE OF A DEBILITATED STOMACH Mr. Mate, a storekeeper, of Gundaga, New South Weles, had been for some time in a most delicate state of health, his constitution was debilicated that his death was shorily looked upon by himself and friends as certain; but as a foriora hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He comidered his cases so extraordinary that he, in gratitude, sent it out for publication to the Sydney Morning Heradd, in which paper it appeared on the 2nd January, 1848. A few doses of the Pila will quickly relig the energies of both body and mind, when other medicines have failed.

My hands were frequently so diseased, that I could make ho use of them. I employed several physi-cians, but to no purpose as my suffering only increased-tapplied Miss. BERTAUX'S MEDICINE for a short time and was soon cured of every vestige of the disease. The thank-turness which I felt, on the long and painful disease belts there years from the time when I used the Medicine, is was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptome of Erysipelas or Sait Rheum.
