

BILL.

An Act to amend and explain the Act relative to the Side Lines in the Township of Osgoode.

WHEREAS it appears that the Act hereinafter mentioned was erroneously, and contrary to the intention of the signers of the petition therein recited, and to the justice of the case, made to apply to the whole of the Township of Osgoode, instead of applying to certain Concessions therein, and it is expedient to correct the said error: Be it therefore enacted, &c. Preamble.

That the Act passed in the Session held in the tenth and eleventh years of Her Majesty's Reign, and intituled, Act 10 and 11 V. c. 54, to apply to certain Concessions only.

10 "*An Act to declare the mode in which the Side Lines of the Township of Osgoode, in the County of Carleton, shall be run,*" shall not apply, and shall be construed as having been intended by the Legislature not to apply, to the first, second, third, fourth or fifth Concessions of the

15 said Township of Osgoode, or to the broken front of the said Township, but only to the remaining Concessions thereof.

II. And inasmuch as there is no Concession Line run between the Broken Front of the said Township and the

20 first Concession, for the avoidance of difficulties which might otherwise arise, be it declared and enacted, That the Side Lines of the lots in the Broken Front of the said Township prolonged, are and shall be held to be the Side Lines of the corresponding lots in the first Concession,

25 and shall be drawn from the Corner Posts in the said Broken Front, parallel to the mean course of the governing line of the Township from the front of the said Broken Front to the rear of the first Concession. How Side Lines in the first Concession shall be run.
