SAY "EDDY'S"

Next time you are right out of Matches ask your dealer for a box of Eddys.

Then you'll get good matches—real matches, safe sure lights—guaranteed good by the name Eddy on the box.

There are 30 to 40 different brands of Eddy's nearly all of which are chemically self-extinguishing—they go out completely when blown out. No dangerous after glow.

Ask your dealer also about Eddy's Indurated Fibreware—the light, clean, durable utensils that never bulge, warp or leak.
