**Some of this country's most creative minds are in Canada's insurance industry.**

They're the kinds of minds that know creativity goes far beyond art, literature or making movies. If you're like that, why not consider a career with Canada's property/casualty, or general insurance industry? The industry offers a wide variety of career choices for creative minds. Accountants yes, but also systems analysts, lawyers, managers, loss prevention engineers, investment specialists, investigators, marine underwriters, aviation adjusters and many more. The choice is yours.

General insurance is also an industry that encourages you to acquire its own levels of professionalism. As a Fellow or Associate of The Insurance Institute of Canada, you would join an

educated, experienced and ethical group of professionals equipped to pursue successful careers at the local, provincial, national or even international level.

Choice, challenge, satisfaction and security. They are just some of the rewards you'll enjoy through a creative career in the property/casualty insurance industry.

For more information, look for your local Insurance Institute in the white pages or, contact Les Dandridge, B.A., A.I.I.C., at The Insurance Institute of Canada, 18 King Street East, 6th Floor, Toronto, Ontario, M5C 1C4 (416) 362-8586 FAX (416) 362-1126.
