

# YORK FEDERATION OF STUDENTS

PARKING FEE INCREASES

Our university administration wants parking fees for unreserved decals to jump 19 % to \$120 next year.

WE SAY...

# NO!

- York University Vice-President Finance Bill Farr promised students that this year's enormous 31% increase in parking fees would be a 'one-time-only' affair.
- Now the administration wants students to pay 19 % more this year for parking at York. Unreserved parking decals will have risen from \$80 last year to \$120 next year -- and there is a good possibility of more major hikes in the future!
- The Presidential Advisory Committee on Parking wants students who purchase *unreserved* decals to pay for the construction of *reserved*, service, and daily-rate parking lots, such as the one being built for the York Lanes complex.
- Students at York are already being forced to endure an 8 % hike in tuition fees, residence rent increases of between 6.5 and 16.5%, the GST on textbooks, and the rising cost of living in Toronto.

### Dear Vice-President Farr:

I urge you and the Board of Governors to reject the unfair proposed parking fee hikes.

I request that you advise the Presidential Advisory Committee on Parking to look at alternative ways of raising revenue that will not deny students who have no choice but to drive to York University their right to an accessible, higher education.

PARKING  
**FREEZE THE FEES!**

•Please fill out this form and submit it to:

YFS/FÉY OFFICE  
105 CENTRAL SQUARE.

## Enough is enough!

Parking fee hikes only serve to adversely affect accessibility for students at York. Those students who must drive should not have to face an extra financial burden.
