

of a loan to be made by the  
Directors and to be expended  
on the purchase of seed grain.

The Council appointed a  
Committee to examine into the  
facts and on this report, that  
unless some aid was afforded  
many families in the Province  
would be unable to obtain seed  
grain; the members of Council  
in Ottawa were instructed to  
make the application in question.

Unless assistance can be  
rendered in some shape there  
will be another year of great  
hardship before these unfortunate  
people who are chiefly old
