Ottawa, February 8, 1916.

Messrs. Kny-Scheerer & Company,
404-10 West 27th Street,
New York.

Dear Sirs:

Mr. Mackenzie King wishes me to inquire of
your firm whether there is in existence a bust of
the French chemist and scientist Louis Pasteur, and
if so where and at what cost a reproduction of the
same could be obtained.

He would be grateful for any information
you might be able to furnish.

Yours very truly,

F. A. MCGREGOR

Private Secretary.
