Mr. W. L. Mackenzie King,
The Roxborough,
Ottawa, Canada.

Dear Mr. King:

I have just noticed a news item to the effect that the Canadian government has appointed a commission to make a survey of the industrial situation in Canada.

If this investigation promises to be anything important, I should like to keep in touch with it. I am wondering if you could arrange to have any publications that are issued by the commission sent to me.

Yours very truly,

E. S. Cowdrick
