Eucazone Limited
Windsor, Ontario

Gentlemen:

I shall be very glad to cooperate in any way, to the utmost, with Eucazone and its manufacturer. I shall be available at any reasonable time, to discuss anything that comes up in regard to it.

From my personal experience with it, both from the chemical and pharmaceutical stand point, I believe it to be a very important factor to the healing art.

Yours truly,
Donald L. Drummond
Donald L. Drummond M.D.
