The Right Honourable Arthur Meighen,
The Senate,
Ottawa,
Ontario.

Dear Sir:

In order to replace old material in our files, we are in need of one of your more recent photographs. The one we have is at least 15 years old and the cut is badly worn.

Your kindness in advising us from whom we may obtain a more recent photo (portrait) would be indeed appreciated or, if you would consider loaning us a print, we shall see that it is returned promptly and undamaged.

Thanking you, we are,

Yours respectfully,

G. J. Kingdon
Files Department.
