Ref. 197987/3.

Ottawa, June 9th, 1905.

Dear Mr. Sloan,

In reply to your favour of the 7th instant, with enclosures, regarding an increase of salary for Dr. T. A. Wilson, Port Essington, I beg to inform you that it has been decided to increase Dr. Wilson's salary from the 1st March last, to \$600.00 per annum and a cheque is being sent him for arrears of salary at that rate. Upon going carefully into the matter it was found that this was the best that could be done for Dr. Wilson. I herewith return his letter to you.

Yours very truly,

L. Sloan, Esq., M. P.,

House of Commons.
