

Names of Intending Builders.

We will send a handsome present to those who FIRST send us the names and addresses of people who intend to erect or repair buildings where we can effect sales of **SAFE-LOCK SHINGLES, CORRUGATED SHEETS, SIDINGS or CEILINGS.** The buildings may be barns, houses, schoolhouses, churches or town halls, etc.

We will also give **THREE CASH PRIZES**, as follows:

- \$5.00 in cash for the list which brings us the best business.
- \$3.00 in cash for the list bringing the second best business.
- \$2.00 in cash for the list bringing the third best business.

ALL LISTS ARE TO BE SENT IN BY THE END OF FEB'Y.

Names may be sent in at different times, and the person sending in any name first gets the credit for it. So rush along at once the names of intending builders whom you know of now, and make enquiry, so that you can send in more names later on.

NEWLY-IMPORTED SHORTHORNS.

Whether well founded or not, the notion is somewhat prevalent in the minds of many Canadian Shorthorn breeders, that most of the bulls imported of late years have not been up to a very high standard of excellence. While this may have been the case in a few instances, it is certainly not the case regarding the recent new importation of seven Scotch-bred bulls selected by Mr. J. F. Mitchell, of Burlington, Ont., which are a right nice lot, of the low, thick type, and their pedigrees show them to be exceptionally well bred. Clansman 2nd is a beautiful roan yearling, bred by Wm. Anderson, of Saphock, Old Meldrum. His sire is the great show bull, Spicy Charmer, that won first at Perth in a class of 219, and was afterwards sold for 945 guineas; dam the Clara cow, Claret 4th, by the Orange Blossom bull, Archer's Pride. This is a young bull, put up on show lines all over. Bandsman (imp.) is a roan yearling, of superior quality, bred by A. T. Gordon, Newton, sired by the Cruickshank Clipper bull, Newton Crystal; dam Maggie 3rd, a C. Butterfly, by the Mayflower bull, Scottish Farmer. This bull is exceptionally well bred on prizewinning lines, and will make a winner. Newton Ideal (imp.), is a roan, 10 months old, also bred by Gordon, and got by the same sire as Bandsman; dam the Strawberry cow, Newton Ivy, by Coral Star, a son of the great Star of Morning. This young bull is something particularly good, his low, thick, even type; his extra good back and quarters; his grand head and thick covering, making a coming show bull of a high order. Count Claret (imp.) is a Campbell Claret, roan, 10 months of age, by the Augusta bull, Prince Augustus; dam by Grand Duke, own brother to the champion of Great Britain. This is a level, smooth young bull, of splendid quality. Braemar Champion (imp.) is a red C. Butterfly, 9 months of age, by the champion Broadhooks bull, Lovat Scout; dam by the C. Victoria bull, Golden Victor. This is a very low, thick calf, that will make a right good kind. Brilliant Character (imp.), Favorite Character (imp.), and Prince of Characters (imp.), are three young red bulls, all bred by John Young, of Tilbournies, and all sired by the Missie bull, Sterling Character. The first named is a Jilt, 9 months old, dam by Sittytown Choice; the second, a Marr Roan Lady, 9 months old, dam by Sittytown Choice also; the last named, also a Roan Lady, 8 months old, dam by John Bull. Here are a trio of young bulls that will be appreciated by discriminating buyers. Other bulls on hand for sale are: Redstart (imp.), a red, 22 months old, sired by the C. Lavender bull, Sittytown Royal; dam Rosalie 3rd, a Bruce Snowdrop, by the champion, Argyle. Lord Gloster =71102=, a Toronto winner, red, 16 months old, by Imp. Ben Lomond; dam a Duchess of Gloster, by the Village-bred bull, Village Hero. Cranberry Chief =71297=, is a red, 15 months old, by the Broadhooks bull, Imp. Lord Roseberry; dam Cranberry 4th (imp.), by Murchison. Besides these, there are several others, the whole giving a scope for selection hardly equalled in Canada. In females the herd represents the Scotch Thistle, Ury, Cranberry, Gwynne, Heiress, Countess, Stamford, Strathallan, C. Lovely, Nonpareil, Duchess of Gloster, Princess, Strawberry, Clementina, Roan Lady, Jilt and Maggie strains, imported and Canadian-bred. Among them are a large number of choice heifers, nearly all from imported stock. The farm is only a 4 mile from Burlington Junction station, 8 miles east of Hamilton. The farm has telephone connection.

Office of Resident Agent, Ponca City, Okla. Troy Chemical Co., Hingham, N. Y.—I was making inquiry of Mr. Wm. Craven of this city what would take off a bad Bone Spavin on one of my horses and he told me he was using "Save-the-Horse" for a bowed tendon on May Flower, and it was improving so fast that he believed it would cure anything recommended to. So you will see by your books that I ordered a bottle last July and it cured my horse sound and well of a bad Bone Spavin, and I wish to say that I am glad to recommend it. I believe it to be the best spavin cure made. J. T. ROSS, Glen Ridge, N. J.—I cured a horse twenty-three years old of a bad bone spavin with your great remedy. Used horse right along.
