LIFE INSURANCE

It is not difficult to prove to prospects the advantage of insuring in The Great-West Life when such letters as the following—from a prominent Western Wholesaler—can be shown:

"I have just received your cheque in settlement of my Policy and find the result of my investment is that I have received back all the money paid for premiums with compound interest at 3½ per cent., or more than a Savings Bank would have allowed, in addition to Insurance for 15 years for the amount of the Policy.

"Such satisfactory results should convince those taking out Insurance now of the advantage of being able to have their funds invested for them by men with such long and successful experience as the Directors of your Company have had."

Life Agents of ability and experience are invited to enquire into the opportunities offered to competent canvassers by
