Many of the certificates are couched in strong language, and may be though to be mere catchpenny notices, for the purpose of drawing attention to a quack medicine... Such, however, Wistar's Balsam of Wild Cherry is not... We can ourselves vouch for the good effects this Balsam has had on diseases of the nature of these above measive has had on diseases of the nature of those above me ed, whenever we have known it resorted to, and that when every other remedy has been tried and !ailed.

From the New York Evening Mirror, March 30, 1849. "We regard the wild cherry tree as one of nature's own physicians, a sort of good Samaritan of the forest : for its medicinal gum' has relieved the sufferings and saved the lives of thousands. The Balsam prepared by Dr. Wistar lives of thousands. The Balsam prepared by Dr. Wistar is a pure and perfectly reliable preparation of the real Cherry essence, and it is a remedy by no means "bad to take."
