A correspondent of the N. O. Picayune gives the following sketch of Juarez, the constitutional President of Mexico: "He was born 53 years ago, in a mountain-

trian army on the new footing may be put at 400,000 men, and on a war footing at 750,000. The command-in chief is in the hands of the Emperor, and, in his absence, in those of Arch ous district of Southern Mexico, and is by blood a pure Indian. His father raised a few sheep duke William, his cousin, who is 32 years of and cattle, and gained a scanty subsistence by

age. Lately two hundred thousand men were in Lombardy, on the left bank of the Ticino, the boundary of Sardinia, and might cross it any Parides eighty thousand more were the sale of their skins. At 12 years of age the young Juarez ran off to attend fair; and being afraid or ashamed to return, he bired bimself to a mule driver, from whose service he passed into the service of a wealthy Spaniard, who, pleased moment. Besides, eighty thousand more were despatched from Austria proper to the scene of conflict, as we learned from the Niagara's news at his intelligence, caused him to be taught to read and write. Still retaining the favor of his last week. By the news received this week it appears that the Austrian troops had crossed the employer, he was sent to the College of Oaxaca, ficino, and that hostilities had commenced.

and having chosen the profession of the law, which the revolution had opened to men of his caste, he rose rapidly to the head of his profes-sion, and with the triumph of Alvarez, was made Chief Justice, from which post he passed to that AUSTRIAN NAVY. The Austrian navy is of recent creation, and the general impression is that she has no navy at all. But she has been silently and steadily

increasing it; and the coming struggle has elic-ited extraordinary facts relating thereto. It apof the Presidency. There has been a severe Indian fight on the pears from these facts that Austria, who had no Colorado, in which the Indians were whipped, of course, only the whites retreated. These, Indians that she then had but three frigates, and has now are great savages. They don't like the progress et civilization, the first step in which consists in eight, three of which are screw vessels ; she has their own extermination.

right, three of which are screw vessels; sue has now eleven sloops instead of four, and leaving aside the brigs and the schooners to speak of a war vessel which has now taken a conspicuous place in the modern fleets, she possessed at the It seems that there really was an attempt made to revolutionize Cuba. Three dozen loafers sailed from New York to rob Spain of the ime we speak of eleven gunboats, and has fifty last of her American jewels, but they were frightened away from the island by the surf. of them now.

But in the event of France going strongly Fire they could stand, but water was too much into the struggle, the navy of Austria will be of little service to her. Her ships will only be-come the prey of Louis Napoleon. The Rusfor them ; their previous habits had not prepared them to encounter its terrors. Can anything be more ridiculous than such a farce ?- American sian navy consists of 85 sailing ships and 73 steamers, in all 158 vessels; the Prussian 55 ves

sels, carrying 265 guns, manned by 3,500 men. THE SLAVE-TRADE .- Events go far toward that the slavetrade will yet obtain a footing in the Southern states. The Colonization Herald ARMIES OF THE DUCHIES. The armies of the Duchies, which are now oc-

nfantry of the royal guard, Infantry of the line, Cavalry,

The captain and supercargo of the Rawlins, Artillery, alias Rosa Lee, of Savannah, who were arrested Engineers at Pensacola, Florida, have been allowed to Active army, Reserve Infantry, escape. The rest of the crew and vessel are yet Artillery,

- 2,880 8,997 92,586 - 8,000 - 3,000 in custody, and the trial is appointed to take place at Apalachicola on the second Monday of May. Some time since the name of the *Rawlins* Total. In the beginning of 1858, the fleet of Naples consisted of 121 ships, carrying 746 guns. If the war goes forward the whole of Italy will be was among the names of the vessels sent to the secretary of state by Lord Napier as being on

the coast of Africa, and there is little doubt that involved in it, and Naples will, probably back she is the identical vessel. Austria.

"The Africans by the Wanderer, whom it was

the government's duty to collect together and to return to their native land, are left to their fate, The Channel Squadron which had gone to the and are openly sold without interference. It is stated that they are readily distinguished from and four new ships of the line have been placed domestic-reared negroes, their skin being of a brighter and more transparent blackness and in commis It is said that the French and Russian govern

ments have lately been procuring large supplies of charts and surveys of the English coast, and of the English stations in the Mediterranean they being entirely ignorant of the English language. So far is participation in the slavetrade from being looked upon with aversion that the most practical way of encouraging the traffic and the defiance of law which it involves."

ish government, and the inference was that Spa would throw herself into the arms of France. INTEREST IN MINNESOTA.—A legal gentle-man in Minnesota, communicates to the Roches would throw herself into the arms of France. Twenty-seven gun boats, with some vessels of larger size, are building on the Thames for the Spanish government, and it has been suggested that Spain may possibly be acting merely as the agent of other powers. Large quantities of ammunition and guns are being shipped to Gibraltar and Malta by the

ARMAMENT .- Our President sent about 17 ves- letter arrived too late for sels, many of them hired ones, with in all 5000 men, 3000 being soldiers, and full stores, under command of Com. Shubrick to ascend the Parana and being Leone Hen LB Reaming meet as the Rev. C. Gaskin; Rev. C. Dewolfe (10s. and bring Lopez. Hon. J. B. Bowlin went as commissioner to arrange matters before or after war. The expedition was freely ridiculed and Rev. J. Prince (1803. for B.R.) Rev. W. was expected to be a failure.

KESULTS.—Lopez did not think our Govern-ment in earnest until our forces were steaming up the river. Gen. Orquiza, President of the Argentine Confederation, became alarmed for the region, and took bold of the matter with Mr. Bowlin, and finally Lopez agreed to pay the Company such damages as should be fairly ad-Company such damages as should be fairly ad-judged, to pay the widow of the man killed on the Water Witch \$10,000, and to allow the free 10.
