## Church Committees

Are respectfully notified that our prices to HIGH CHURCHMEN are not high, and to LOW CHURCHMEN are not too low, but just that happy medium consistent with first-class PRINTING.

Therefore when the Church Wardens' Report is to be printed; when Programmes, Tickets, etc., etc., for either the vestry or the Sunday school are wanted, come right to us, and if we can't satisfy you it isn't because we haven't facilities second to none in this country, or that we ask more than a fair margin of profit on our work.

### Our Mineral Wealth.

At the annual meeting of the St. Leon Mineral Water Company, held on Saturday, 22nd inst., amongst other pleasing features of the year's business the president in submitting his report, stated that the consumption of Water from their springs during the year exceeded two million bottles.

According to the best obtainable information this exceeds the consumption of any other mineral water on the American continent, and puts the combined sales of all the other Canadian springs completely in the shade.

After mutual congratulations on the constantly increasing sales from year to year, the following officers were re-elected for the ensuing year:

Mr. James Good, President; Mr. J. F. Eby, Vice-President; Mr. H. Blain, Secretary; Mr. C. E. A. Langlois, General Manager.
