

UNIFORMITY!

It is not "something similar" that you want. You don't get Uniformity in "something nearly the same." That word means a good deal in this connection. It stands as one of the corner stones on which the magnificent success of

Wood's Package Teas

is founded, and which with their unvarying high quality has made them phenomenal Trade Builders.

The trade-mark "WOOD'S" means something tangible, not "something just as good" or "something nearly the same."
