HYMENIAL.—The Walkerton Herald contains the following: "Mr. Ed. Gabel, merchant tailor, of Listowel, carried off one of Walkerton's fairest daughters one day this week, in the person of Miss May Huyek. May their happiness last foreveris the worst thing we can wish them." We must congratulate Mr. Gabel upon his good fortune, and also tender the happy pair our best wishes.

A WINNIFEE BRAKEI.—We understand that Mr. J. W. Scott.banker,has entered into partnership with Mr. A. W. Gordon, formerly accountant in the Listowel branch of the Bank of Hamilton, for the purpose of carrying on a banking and broking business in the city of. Winnipeg. Mr. Scott is one of the leading bankers in the Dominion, having some half dozen or more branches now in operation in Western Ontario. The business in Winnipeg will be under the management of Mr. Gordon.

Listowei. Curling Curn.—The annual meeting of the Listowel curling club was held in Mr. W. J. Ferguson's law office on Monday evening last, when the following officers were cleeted for the ensuing year: Patron, J. W. Scott; Patroness, Mrs. D. D. Campbell; President, B. Ferguson; Vice-President, D. Campbell; Secretary-Treasurer, W. J. Ferguson; Chaplain, Rev. W. F. Clarke; Committee of Management, W. D. Bell, R. McMillan, A. F. Climie and George Ford; Skips, W. F. Clarke, J. Coutts, W. D. Bell, George Ford, A. Galloway, and R. McMillan. From the large attendance and enthusiasm exhibited at the meeting there is every prospect of the club being a strong one

Public School, Board.— The regular monthly meeting of the Board was held on Tuesday evening. Present, W. Bradly, J. P. Newman, E. B. Sutherland and W. G. Hay. Newman, that all non-resident children be charged 25c. each per month—carried. Applications were read from all the teachers in the school for higher salaries—laid over until next meeting. Board adjourned.

till next meeting. Board adjourned.

Local Parers.—The Toronto World says:—"The country weeklies are feeling the pressure of the city weeklies. Practically the big weeklies sent out by most of the dailies in Toronto, Montreal, London and Hamilton, are displacing the influence, and reducing the revenue of the local papers. Now this is not a thing to be encouraged. Above all things the farmers and residents of the villages should not let their local paper decline for want of support, nor should they grumble at paying one dollar and a half for a paper that has much less reading matter than the "great dollar paper" published in the city. An incalculable difference exists between them, and in favor of the local paper; the latter has the interests of its subscribers at heart; the big weekly from the city is animated in no such way; indeed, may be opposing local interests in favor of contralization."

Farm Sales.—Quite a number of farms

popen fall weather have given it an excellent start, which must be of material service in helping it to stand the winter.

Mr. Strwart Patterson has leased Mr. D. D. Campbell's store west of Mr. Armstron's grocery, where he intends opening for economs for the manufacture of the local paper; the latter has the interests of its subscribers at heart; the big weakly from the city is animated instruments. It is not probable the mission of the local paper; the latter has the interests of its subscribers at heart the big weakly from the city is animated instruments. Farn Salza.—Quite a number of farms in the neighboring townships have changed hands within the past few wenters will attend to super to be given by the Trowbridge lodgs.

Patternary.—Mr. Wim. Hagon has purchased the hotel at the G. W. R. Station from Mr. John Binning. He takes possession on the 21st inst. Mr. Hisgon has secured a transfer of the license of the Albion hotel, lately burned. Show.—The mild Indian summer like weather of the past few days was followed yet acconsiderable cooler atmosphere. I cowards evening quite. Show.—The mild Indian summer like weather of the past few days was followed yet acconsiderable cooler atmosphere. I cowards evening quite. Anow storm set in. However, in the absence of frost, it is not probable that "the beautiful" has come to stay.

Mrss. Hass Bros. are so overcrowded that they find it necessary to work over-time to fill their orders. Their factory is kept running up till no c'clock every evening. Business is also "the part of the factory is kept running up till not collect evening. Business is also "the beautiful" has come to stay.

Concert.—We understand that the Caledonian Society of this town purposes giving a concert in the Othorne hall on or about the 2nd December. The success of the last annual Caledonian concert warrants our citizens in anticipating a musical treat in the forthcoming and the premises which he now occupies too small for his constantly nearest possible to the congress business on the line of the

the Grand Trunk Railway. Mr. C. Hacking is agent in Listowel for the company.

Mr. John Sutherland, stove and tinking ware dealer, finds the premises which he now occupies too small for his constantly increasing business. He has therefore leased Mr. Large's building, west of Tatham & Co's hardware store, which is being fitted up for him. He will remove the interest of the toric and much more commodities premises in a few days.

Bible Society.—The annual meeting of the Listowel Branch Bible Society will be held in the Congregational Church on Thursday evening next. 10th inst. Rev. Mr. Claris, of Sarnia, the agent, will be present and address the meeting. Addresses are also expected from the resident ministers of the town. The chair will be taken at 7.30 clock.

Hallowe'en.—This season for mischief making and perpetrating practical joks was not "observed" to any very great extent by the youthful gamins of the town, consequently gates were found in their proper places on Thesday morning and the exposed cabbage garden remained unmolested. Evidently the "young hop-fulls" are improving.

Exchanged Pripters.—On Sunday last Rev. G. B. Taylor, of Christ Church, the "young hop-fulls" are improving.

JOHN C. BURT, MERCHANT TAILOR.

LISTOWEL, SEPT. 15TH, 1881.

The near approach of fall and winter gives us another opportunity of addressing our friends and customers on the very important subject of their clothing. Encorraged by the success of the past we have endeavored to excel ourselves in making provisions for the future. We have goods to hand already of our own selections for fall and winter wear, and would say that for rarity and freshness of style they are superior to anything we have ever offered.

Our stock of FANCY OVERCOATING is very attractive, and admitted by every person who has examined them to be the choicest goods in town. As usual, our Scotch, English, and Canadian SUITINGS embrace the latest designs and colorings. In Black goods we show stocking nett, Corkscrew, Cassimeres, Irish Serges, Diagonals, Worsteds, &c. TROWSERINGS in Whipcords, Hair Lines, Worsteds, Shepherd Plaids, and Fancies. Having bought the above goods at the right time, places us in a position to offer them 20 Per Cent Below Regular Price.

We have omitted nothing that would add to the completeness of our stock, to which we invite the attention of those in search of the very LATEST NOVELTIES.

Need we add that we pledge our reputation as first class tailors in the execution of every order received.

Our Mr. R. J. Ferguson, formerly of Taylor & Kennedy, Toronto, continues in full charge of our cutting department, and we still employ the very best class of workmen.

In soliciting a continuance of the favours bestowed upon us, we beg to thank our friends and customers for their liberal patronage during the past season, which we are pleased to say has been the best we have ever had.

Respectfully yours, Our stock of FANCY OVERCOATING is very attract-
