

POISONED TO GET INSURANCE

Philadelphia Woman Arrested on Serious Charge

Killed Husband, Two Children and Two Tenants and Collected \$1,000 Insurance Money

PHILADELPHIA, Nov. 27.—The most remarkable case of wholesale poisoning of persons to secure insurance money that has ever been unearthed in this city is charged tonight against Bridget Carey, aged 32, who was arrested at a late hour. The woman is charged with having poisoned her husband Patrick, her two children, Mary, aged 8 years, and Annie, aged 6, who died a week ago, and Patrick and Cecilia Cook, tenants in the Carey house at 1443 Hamilton avenue. All of the alleged victims died within eleven months, and the police allege that Mrs. Carey benefited by their deaths to the amount of \$1,000 through the collection of insurance.

The woman's arrest followed an investigation made into the death of her two children, which occurred last week. It was said at the time that their deaths were caused by eating poisoned candy or candy that contained deleterious substances. An analysis of the candy, which the children are said to have purchased, showed that it contained no poisonous substances and when Coroner's Physician Wadsworth made an analysis of the stomachs of the children, he found the contents of the stomachs to be normal.

According to Captain of Detectives Donaghy it was learned that the children were insured for \$125 each and that Mrs. Carey collected this amount after their deaths. The police officials say that they learned that the woman had secured rat poison, and on further investigation it was found that Patrick and Cecilia Cook, brother and sister, who lived with Mrs. Carey, had died within a few months under suspicious circumstances.

Miss Cook had been the lessor of the house and Mrs. Carey was a tenant.

The police officials say that Miss Cook was insured for \$200 in favor of Patrick Cook, her brother, and that on August 13 she died. Patrick had been insured for \$500 in favor of his sister. He collected the insurance on her policy after her death, and Mrs. Carey took up the lease of the house. Thereupon Patrick used his insurance in favor of Mrs. Carey and shortly thereafter was stricken ill and died.

When Miss Cook died a physician who had attended her was visited by Mrs. Carey, the police say, and she signed a death certificate for insurance attesting that she died of heart disease. As he had previously attended her for heart trouble and knew that she was liable to die at any moment, he signed the certificate, though he had not been in attendance on the woman just prior to her death. Miss Cook died on August 13, and on September 17 her brother died suddenly in much the same manner as his sister. The police officials say that Mrs. Carey secured the insurance.

After the death of the children the police learned that the woman's husband died suddenly about ten months ago, and from physicians who were called in at the various times during the illness of the victims, they were urged to make a rigid investigation. The bodies of Patrick Cook and his sister have been exhumed and that of the woman's husband will also be distinguished.

CANADA WILL NOT SEE DUKE OF CONNAUGHT

Is Going to Far East on Inspection Tour — H. M. S. Dominion May be Seriously Damaged

MONTREAL, Nov. 27.—The Star's London cable says: The Duke of Connaught has no intention of visiting Canada, as the Canadian papers announce. He leaves in January on a tour of military inspection for the Far East, visiting Ceylon and Singapore. He must return in April from Hong Kong via Suez Canal and never had thought of returning via Canada, though his pleasant recollections of his previous Canadian visits would, if arrangements permitted, have been a strong temptation. The admiralty has received advice that H. M. S. Dominion will not return to Chatham till February next. She is in the dockyard at West India. It is feared the damage from the St. Lawrence grounding is more serious than anticipated. There is no knowledge of what action, if any, the admiralty intend to take regarding Captain Kingsmill as the responsible officer.

FTON TAXATION BILL CONSIDERED

Taxation of Church Lands Again Taken Up—Banking Section Passed—Tenders Received

FREDERICTON, N. B., Nov. 27.—At a special meeting of the city council held this evening, the taxation bill was further considered. Rev. Mr. Cowie was heard in opposition to the bill, consisting of A. D. Thomas, J. R. Gelding and H. G. Fenety, were present. The first section taken up by the council was the taxation of church lands. After Mr. Cowie was heard it was decided to postpone further consideration of this clause of the bill until the next meeting owing to the absence of Ald. Scott. All the other sections of the bill with the exception of this one, were passed by the meeting with some slight amendments. It was decided to tax life insurance companies \$40; fire, \$15, and all other insurance companies \$10. The banking taxation, as recommended by the council, was passed in its entirety. This is similar to the St. John bank assessment law. In respect to the collection of taxation, Ald. Colter moved an amendment to the section regarding the allowing of discount on all taxes paid within thirty days. This amendment added that five per cent be added to all taxes not paid within one year. The amendment was carried on the casting vote of the mayor.

Tenders were received for the old engine house on University avenue. Two were received, one from Geo. Hazen, \$25.50, the other Geo. Clark, \$106. The property was sold to the latter.

The meeting adjourned until Monday evening next.

SIX MEN COMMITTED FOR TRIAL AT BUCKINGHAM

BUCKINGHAM, Nov. 27.—Judge Choquette this morning formally committed six of the men who took part in the recent rioting here to attend trial on the charge of riotous behavior. The preliminary inquiry against these same men on the charge of manslaughter is now proceeding. It is expected that a number of others who were among the strikers will also be proceeded against.

Judge Choquette also discharged the case against Albert McLaren, holding that he had a right to place armed men to guard his property, and that there was no other charge against him. The attorneys for the strikers objected, and Judge Choquette told them that he would hear them if they would lay another charge against McLaren. The invitation was not accepted. Alex McLaren was held for a hearing as he was mixed up in the shooting which took place.
