DR. HALSEY'S FOREST WINE.

THIS is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, above all, for diseases arising from impure Blood and habit of the System, eminent members of the Medical Faculty have sanctioned and adopted the use of it.

Dr. L. A. STANLY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he has never seen anything to compare with the Forest Wine and Pills, at the same time relieving several cases of constitutional Debility and Scrofulous affections of a valuable gentleman's family in a few weeks which it cured in six months' short time.

Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous cases of infirmity, will be found the names of the celebrated Dr. M. T. Goodman, Dr. S. I. Mott, Dr. L. Cheeseman, Dr. Calver, Dr. William Brown, Dr. Marvin, Dr. J. M. Morson, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five months what three Physicians failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that character which "nature sinks and life is a burden." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HAMPTON, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and box of Pills, which you procured of Mr. James Carr, (your Agent for this place,) has done wonders than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I caught my death cold perhaps, but could get no relief from any of the Doctors or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach a mass of pus green and greenish matter, and my stomach was perfectly black. This commenced vomiting the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty-five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, &c.,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Musser, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NERVOUS RALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Neuralgic affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues.

E. G. MUSSER.

Cohoes, March 6, 1850.

More Testimony from Cohoes.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with deadly disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Bell, Merchant, in Front Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than one box of the Pills.

The present high character of the Forest Wine is very striking in the case of the Hon. S. L. Brown, of Virginia, who was cured in a few hours' time of a severe attack of Bilious Diarrhœa and general prostration of bodily energy. On the arrival of the gentleman in New York in March, he was so weak and nervous, from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartment. The Wine was sent for, and he received it by the use of One Case a bottle of the Wine and a single box of the Pills.

The Forest Wine and Pills are recommended as an efficient and certain cure in all the following complaints:—

Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Headache, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident only to Females, Lumbago, Rheumatism, Night Sweats, Nervous Disorders, General Ill Health and Impoverished state of the Constitution.

☞ General Depot for Halsey's Forest Wine, No. 215, Spruce Street, New York City. One Dollar per bottle, or Six Dollars for Five Dollars—Twenty-Five Cents per Box for the Pills.

For Sale by Wm. LYMAN & Co., and all respectable Druggists.

Although these Works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in this they stand unequalled by those all other journals of their class. Edinburgh, News of Battle after Flodden, by £120 0 0
Thos. Jones Barker 100 0 0

"I would teach the people crying, 'Tell us all, oh, tell us true!
Where are they who went to battle, Randolph, Murray, sworn to you?
Where are our brothers, children? Have they met the English foe?
Why art thou silent, unfollowed? Is it weal, or is it woe?"

Like a corpse the grisly warrior looks from out his helm of steel;
But no word he speaks in answer, only with his armed heel
Chides his weary steed, and onward up the city streets they ride:
Fathers, sisters, mothers, children, shrieking, praying by his side.

"By the God that made thee, Randolph! tell us what mischance hath come!
Then in his riven banner, and the baker's voice is dumb."

CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Side, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Colic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the most distressing character. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine so well adapted for their class of complaints, possessing more than a tithe of the power to relieve and cure as this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any way, injure the patient.

It does not deaden the *Life Function*, nor produce the nervous, drying, constipating effects, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, but on the contrary, restores them to their healthy action by producing Continence and its attendant evils, but is a promoter of Digestion, and of proper and healthy action in the stomach and intestine canals.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved *surprisingly* successful, rarely failing to cure, even in the most desperate and long standing cases, (See Certificates,) in these cases the parts should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in several cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC,

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA,

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case in which it has been early and faithfully applied. In Bloody Flux, where it has been early and faithfully applied, it will rarely fail to cure. Where it proves ineffectual, it is unavailing to yield to this remedy, and CURTIS & PERKINS' *CAMPAND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frozen Limbs, &c.*, relieving the pain and healing without scar.

FOR TOOTHACHE,

It is a *CURE*. We believe it will in nine times out of ten, a CURE. If the tooth is *never foul*, unless the tooth is decayed. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it as generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buchanan, Esq., of Dixmont, Me.:—

DIXMONT, July 11, 1849.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism, both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short I obtained the best medical advice and attendance the country afforded, and tried a great number of medicines and prescriptions without the least benefit or alleviation, when I had the good fortune to procure a bottle of Curtis and Perkins' Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found relief, and after using two bottles, I took much larger, and in a few days was entirely cured. I gave away several quantities than was recommended, and found it was equally done down both in my throat and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for a man of my age. No description of it can do justice to the value and amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism, and I have also used it for colic and pain in the stomach, and always found immediate relief.
