much as possible, leaving car by front door. Don't rush for a car when it is in motion as there is no step unless door is open. Don't take Paris-Galt cars for city service, as there is room for all in new city cars, and it costs money to be constantly stopping and starting the large cars-this should not be necessary with more frequent city service. Don't expect a car to stop in middle of block, as a prompt schedule cannot be kept with too fre-quent stops. aWtch for painted posts and signal with uplifted hand. when we joined the syndicate of newspapers engaged in the distribu-tion of "Heart Songs" we had no idea of the immense popular demand this most shortly before 8 cident for a song book. The work seems to have been fairly craved by the people all over the country. Several hun-dred thousand have already been dis-tributed, and we are informed that the numerous editions will run into the numerous before the demand is German vessels
