THE QUEEN'S PLATE.

Toronto, May 25.—Again the black and yellow colors win, and the blue ribbon of Canadian racing goes to Saginaw. The victory of Dalmor in the Queen's Plate was the central feature of the opening day's racing of the O. J. C. meet. The race was a splendid one, and the final struggle on the home stretch between Provost, Wm. Hendrie's best entry, and Dalmor was watched with breathless interest by not less than 15,000 persons, including Gov.-Gen. and Lady Minto. The victory of Dalmor was largely due to the skill of Lewis, the jockey who brought the big bay along in the last few strides at an amazing pace, winning over Provost by a neck. Saginaw has now won the Queen's plate nine times, a record.

BASEBALL

The morning game was all that could be desired. The Port Huron team has picked up wonderfully, and they have a good team now which ought to be well up in the game before very long. Barrett who pitched the game with the D. A. C's here on the opening of the season, was in the work. Bowen who played right field for the Saginaw with Port Huron. He was playing centre field, and when he failed after a hard run to get near Conklin's 3 bagger, Manager Flaherty who also covers third base, took him in and put Barrett in his place. Thompson, the new pitcher, did good work for the Reds, and kept the hits well scattered. He is apparently a find. Chatham opened the scoring in the first inning with a single by Handiboe and a three bagger by Conklin. Port Huron secured a run in the second on a hit by O'Connor, Connors' out at first, and Barrett's long fly.

Port Huron got their second run in the third on Lobbeck's attempted sacrifice, Gallagher's out at first and Elton's single. Chatham then went in and secured three runs off a base on balls, Handiboe's sacrifice, Conklin's second, three bagger, Grims-haw's single and Neal's two base hit. Black's Indians added two more to their score in the fifth. Neal got to first on Sanders' out second, stole second and scored on Donovan's hit for two bases, and the latter scored on Klock's beautiful triplet. Neither side scored again till the eighth, when the men from the land of the Stars and Stripes put up two runs on Elton's hit, Donovan's error, Connors' hit and Geihen's hit. The Chatham team then went and did likewise. Klock got a base on balls, Thompson made a neat sacrifice, O'Connell hit for two sacks, scoring Klock and Handiboe singled, bringing O'Connell across the plate. The features of the game were the three beautiful catches made by Geihen at second and the first double play pitched in by Handiboe, O'Connell and Grims-haw.

THE SECOND GAME.

The afternoon game lacked the interest of the morning game for the simple reason that the Port Huron team took kindly to Habel's delivery while Black's Indians found it difficult to bat Long's curves.

Long did the twirling for the Yankees

and did it most effectively. Flaherty's favorites began the scoring in the first inning. Barrie got a hit, Elton duplicated it and then Connors followed with scoring Barrie. Another run was added in the third due to a hit by Elton and a two-bagger by Connors. Three more were secured in the fourth. Lobbeck got hit by the ball, Long landed on an infielder for two bases. Gallagher showed his hand for a similar number of bases, and Elton got a single. It doesn't take long to tell but it meant three runs. Port Huron now had five runs but they retired from the fifth innings with another on a two base hit by Connors, two errors by Donovan and one by Handiboe. A batting streak in the sixth and another in the ninth brought in two more runs totaling eight runs. Black's babes only scored in the third and sixth. In the third Donovan flew out to left field and Klock was felled out at first. Habel singled and Habel struck out. The only feature of the game was a fast double play in the fourth. Sanders got a base because he stopped a pitched ball with his shoulder. Neal hit to short and both men were retired on a fast double. George Perrin, an old Chatham boy who saw service in the afternoon owing to Umpire Smith being disabled through being hit by a batted ball at the morning game.

Conklin led off in the sixth with a two bagger, Grims-haw got a base on balls, Sanders was caught out at short. Neal was felled out and it looked as if Chatham wouldn't score. But the Huron's got on the port tack again and errors by the pitcher and third baseman scored Conklin and Grims-haw. Then Habel struck out. The only feature of the game was a fast double play in the fourth. Sanders got a base because he stopped a pitched ball with his shoulder. Neal hit to short and both men were retired on a fast double. George Perrin, an old Chatham boy who saw service in the afternoon owing to Umpire Smith being disabled through being hit by a batted ball at the morning game.

P. S. Coste, Esq.,

Manager The Chatham Gas Co.

Dear Sir,—In reply to your letter of the 29th inst. Our Gas Range has been in use at my house for several years and has always given perfect satisfaction. Besides being a great convenience, it has been very economical in fuel, not costing more than one third the price for wood or coal. I may say that it is used for everything that a stove could be required for, and does the work admirably.

Yours truly,

(Sgd.) S. F. GARDINER.
