TO START ON THURSDAY

W. E. & L. S. Ry. Will Be Formally Opened On That Day

A History of The Road—Chatham Men Are Interested

Windsor, Sept. 15.—It is now six years since the Windsor, Essex & Lake Shore Railway was incorporated, but after many vicissitudes in one form and another the road will be opened for traffic on Thursday.

The original promoters were William Newman, formerly city engineer of Windsor, and Dr. Brien, who died at the time of the Essex explosion. They surveyed the line and secured some franchises, but found the project too big to push through without some outside financial assistance. A. J. Nelles, of Hamilton, was taken into the scheme, but little was done towards construction until May 1, 1905, when Messrs. Newman, Nelles and Brien entered into an agreement with some Detroit and Port Huron men to finance the road. They induced E. A. Tannis, of Philadelphia, to start construction, and he did so, taking the bonds of the company. He was unable to meet his financial obligations, however, and the firm of John Piggott & Sons, lumber dealers, took a lien on the property to secure themselves for material they had supplied.

The Piggotts then went to work to reorganize the company. They first purchased the American interests, sold stock to some Chatham men and succeeded in disposing of the company bonds to the Union Trust Company. Progress was noted from the time the Piggotts assumed control, much to the shame of local capitalists, who were smitten with a bad case of "cold feet" and refused to tender support to a line that taps the best section of Essex county and will ultimately prove a big dividend winner. A year ago W. N. Warburton, formerly traffic manager of the T. H. & B., and also the Niagara, St. Catharines & Toronto Railway, was engaged as general manager. He has "made good" from the start and has overcome all physical obstacles.

It might be added that not one of the original incorporators is connected with the company at the present time. There was a dispute about the stock coming to Newman and Nelles, who brought the suit against the company and won their case for the full amount claimed, \$45,000 in bonds. The company had other troubles. Even the elements took a slap at the line and the powerhouse at Kingsville, while in course of erection, was blown down. The Michigan Central fought stubbornly and long against allowing a grade crossing at Essex, but finally after two or three meetings of the Railway Commission had been held to hear evidence and arguments the electric line won a victory for a grade crossing. Expert engineers testified that a subway would mean a huge outlay for construction and an enormous expense to operate.

The line extends from Windsor, which gave the company a franchise and then years, to Essex, then to Kingsville, Ruthven and Leamington, the finest fruit section in Canada. When in operation this road will be the longest electric railway in the Dominion.

The officers of the company are as follows:

President, John Piggott.
First vice-president, Charles Macgregor, Toronto.
Second vice-president, W. E. McKenough, Chatham.
Secretary, W. T. Piggott, Chatham.
Treasurer, W. C. Crawford, Tilbury.
Directors, E. G. Stevenson, Toronto; P. Haseltine, Detroit; and M. Wilson, K. O., Chatham.

THE MAYOR'S OUTING

Tuesday, September 24, will be a big day in the annals of the City Council, when Mayor W. M. Stone will treat the aldermen, the City Clerk and the gentlemen of the press to a launch trip down the river, fish dinner. This glorious and sumptuous event is being looked forward to with a great deal of interest and anticipation by both the aldermen and the reporters.

Speech-making and other intellectual gymnastics, productive of thought expansion, good fellowship and general happiness will be among the main items on the extensive program, which His Worship is planning for the delectation and delight of the "boys." A famous dinner, not to mention liquid articles—all of the temperance variety happily—will drive dull care away for the time being, and joy will reign supreme.

It's true, and we repeat it again, \$22.50 suits for \$9.99, and \$14.50 suits for \$6.99, \$10.00 shirt waist suits for \$3.99, all latest styles. Seeing is believing. See window. New York Cloak Store Bankrupt Sale.

A LIVELY SCRAP IS ON BETWEEN BANANA DEALERS

Frank Tavato and Richard Zakoor, Almost Came to Blows Over The Price of The Yellow Fruit—Police Court Case

The Zakoor-Tavato feud came to a sudden and sensational climax yesterday afternoon, when Frank Tavato, the Italian banana magnate, wheeled his push-cart in front of Zakoor's store on King street, and offered bananas at three bunches for 25 cents. A few moments later Tavato's cart was overturned on the street, and his bananas were decorating the pavement.

Richard Zakoor says that Tavato's cart was in the way of his delivery wagon, and that it was in this way that the cart was upset. Tavato says that they backed the delivery wagon into his push-cart, and that one of Zakoor's clerks ran out and shoved the cart over. A big crowd soon gathered and it looked as

though there would be a street riot for a few moments. Both Zakoor and Tavato, however, resolved to resort to the law rather than to fistfights, and both made a bee-line for their respective solicitors, after which it was a race between the two as to who could get to the Police Court first. Zakoor won out, and laid an information against Tavato, and the case will be tried as soon as all the witnesses necessary can be summoned. Zakoor's information against Tavato is that the latter was obstructing the street. It is likely that Tavato will lay a counter charge of assault against Zakoor.

F. W. Smith has been engaged as solicitor for Zakoor, and Kerr, Gundy & Brackin are acting for Tavato.

MURDERED

HER BABES

Terrible Deed of Insane Woman at Midale, Sask.

Battered Boys' Heads In With a Hammer In Field

Midale, Sask., Sept. 17.—On Saturday afternoon Mrs. John Anderson, wife of a farmer residing about a mile from Midale, on the Soo line, took her three children, all boys, to the potato patch and there knotted them on the head with a hammer, after which she cut their throats in a horrible manner with a grass knife. She had not shown any signs of insanity before, but had been ill, and it is supposed the murder was due to religious mania. She is probably 35 years old. The police of Weyburn were notified of what had taken place, and Constable Ing arrested the woman, who is insane. The woman shows no remorse for what she has done and expects to be hanged. She believes it was some kind of a blood sacrifice.

Later reports give fuller particulars of the horrible tragedy. The three children murdered were a baby, 18 months old, and two boys, six and nine years old, respectively. She also made a desperate attempt to kill her 11-year-old daughter. She put a rope around the girl's neck, but the child struggled bravely and was assisted by a dog, which attacked the maddened mother.

A PITIFUL CASE

Lean and gaunt, his unshaven and haggard face showing plainly the traces of fatigue, privation and hunger, Charles Kashner, a wanderer with no apparent destination, faced Judge Houston this morning on a charge of vagrancy. Kashner and his wife walked all the way here from Brantford. The police found them yesterday in a half-starved condition in the little, stuffy room in the Idlewild stables. The woman's feet were so blistered that she could scarcely walk. She has since been given work by Mrs. McKenry, a neighbor, who keeps a restaurant on the market square.

Kashner says that he is an iron moulder by trade, but that he has been out of work lately. He pleaded not guilty, and was remanded for a week.

WAS LARGELY ATTENDED

A chicken pie social, under the auspices of the St. Thomas Church, Raleigh Township, of which Rev. Mr. Higley is pastor, was held last evening. A large crowd was present, and an enjoyable time was spent.

Several launches conveyed the visitors from this city to the social. A fine supper was provided by the ladies, and roast chicken, cake, pie, and salads were some of the delicacies of the evening. Afterwards all repaired to the hall, where the program was held. G. W. Sulman acted as chairman in his usual excellent manner. Speeches were given by H. S. Clements, M.P., Manager Williams, of the Sovereign Bank, Capt. McLaughlin, Rev. Mr. Morris, Rev. Mr. Grant, Rev. Mr. Allan, Rev. Mr. Higley, and J. M. Pike. Solos were given by Miss Ruby Maggs, Ed. Wanless, Percy Clements, and Mr. Park. Recitations by Miss Gladys Stevenson, Miss Kier, and Little Miss Margaret Beaver, were much appreciated. A recitation by Mr. Ches. Chittam was very much appreciated, and won for him rounds of applause. The program closed by singing God Save the King.

DAY—WADDICK

A very pretty event was solemnized at St. Joseph's Church this morning at 8.30 o'clock, when Miss Mary, the youngest daughter of Mr. and Mrs. John Waddick, Con. 10, Raleigh township, was united in marriage to Mr. Thomas Day, of Chicago.

The ceremony was performed by Rev. Father James. The bride was attended by Miss Mary Waddick, of St. Thomas, and Miss Kate Clowry, of St. Thomas. Mr. John Carley, of the ninth concession, Raleigh township, acted as best man.

After the nuptials had been completed, the happy couple left, amid showers of rice, for the home of the bride's parents, where a wedding dinner was served. They will leave this afternoon on their wedding tour to Milwaukee and Chicago. They will make their future home in Chicago.

ROLLER RINK

The Roller Rink has been opened for the season, and there will be skating every afternoon and evening from now on. Band in attendance every Tuesday and Thursday evenings.

NARROW ESCAPE

A horse, belonging to Cy. Johnson, and being driven by a young man, became unmanageable on William street, Sunday night, and ran up on the C. P. R. crossing in front of an incoming freight. An accident was narrowly averted, and the horse had just got across the main track when one of its hoofs got caught in the rails. It was finally rescued, however, before any serious damage was done.

The young man who was driving says that the gates were not lowered, and that the engineer did not ring the bell as he approached the crossing.

FAIR NIGHTS

"Side Tracked," with its scenic and mechanical effects, its funny tramp, German and Irish comedians, its saucy hoyden and charming lovers, will be the attraction at the Brisco Opera House, Wednesday and Thursday of this week.

There is a vim and go about the play that captures the gallery as well as the elite of the audience. The special scenery is effective and several strong specialties assist materially in the action of the play.

The undertaker always carries out what he undertakes.

The brave man is the last to think of lecturing on courage.
