International Bible Lesson for To-Morrow-The Mission of the Seventy. -Luke 10, 1-16.

Golden Text—"Pray ye, therefore, the Lord of the harvest, that Ha-would send forth laborers into His harvest.

The events of this lesson occurred about six months before our Lord's crucifixion. As the time was short He summoned His followers together and chose 70 others (not other 70) to act as advanced couriers as an Evansilatie Sambedin to scatter two and gelistic Sanhedrin to scatter two and gelistic Sanhedrin to scatter two and two into every place He would visit. Their instructions were very similar to those given the twelve apostles. Ambassadors of Christ and His king-dom, He was responsible for them and they were responsible to Him, as in the kingdoms of this world. This the kingdoms of this world. This eastern section of the country had not been missioned and a grand harvert awaited them, and when needing help they were to pray their Lord to send forth more harvest:—for Ha alone can do so. They were sent as lambs amongst wolves, that wolves might be changed to lambs. Contrast Moffet and Livingston, or Dr. Paten, with Stanley's treatment of the Africans. Their's was a mission of mercy and peace; they made no self-provision; they were to eat and drink what their entertainers provided; they were to entertainers provided; they were to heal the sick and preach the King-dom of God, thus brought nigh them. Their Lord identifies Himself with them and they as really represent Him, that if they are rejected, He is, and if accepted, He will surely be re-belved. Warned and directed, they

had their marching orders—"their's not to reason why."

To-day, throughout the whole world To-day, throughout the whole world the harvest is greater than ever, and there never was a greater need to pray the Lord of the harvest for Godcalled and Spirit-filled men and women to reap it. Reader, say 'Here am I, send me. The greater the light rejected the heavier the doom. Verses 12-15—To reject Jesus Christ pow is greater enmity against God than doing so in the days of his flesh. Our attitude to a God-sent messenger is our attitude towards God. Great success and great joy crowned this evangelistic company. See verses 17 to 24.

How Iron-ox Tablets Improved a London Boy's Health.

January 31, 1903. I am glad to tell you of the good effects of Iron-ox Tablets. We first got them for our boy, two-and-a-half years old, who was very cross and had no appetite. Your remedy soon made him as bright as ever. My husband uses them for headache and sluggish liver. While certainly effective, they cause neither pain nor inconvenience. We have a box in the house al-

The worries of a weak and sick mosther are only begun with the hirth of her child. By day her work is constantly interrupted and at night her rest is broken by the wailing of the peevish, puny infant. Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It lightens all the burdens of maternity, giving to mothers strength and vigor, lightens all the burdens of maternity, giving to mothers strength and vigor, which they impart to their children. Dear Sirs.—For some years I have had only partial use of my arm, caused by a sudden strain, I have used every remedy without effect, until I got a sample bottle of MIN-ARD'S LINIMENT. The benefit I received from it caused me to continue its use, and now I am happy to say my arm is completely restored.

ANNOUNCEMENTS.

At Chatham Grand-Maynard Stock Co.—April 18-23. Miss Foster—April 25.

East Lynne was the attraction put on by the Maynard Stock Company at the Grand last evening. Although this play has been presented every season at the Grand for several years, there was a good attendance, and the people who witnessed it seemed to enjoy it. The parts were well taken indeed. The Maynard Stock Company have a good dramatic company and their plays are well rehearsed and

memorized. One of the features of the week was the giving away of the wheel, which has been advertised at every performance. It was given away at the conclusion of the play. Duplicate numbers corresponding to those given out at the door were placed in box and Harry Philp was called to the stage and drew the numbers from the box. Robert Harris, a colored Maple City resident, held the lucky number. As Mr. Harris is unfortunate in having only one leg, he is now looking for a purchaser for his wheel
