INTERESTING NOTES OF FAST HORSES

Cassie W. Defeated at Woodstock, will Try Again Tomorrow at Hartland

A large and very much interested crowd was on hand at Island Park, Woodstock, on Thursday afternoon of last week to watch the matinee races. Of course the matched race for \$100 a side, between Lucky Strike and Cassie W. was the most exciting. This day was warm and the track somewhat soft, which accounts in some manner for the slower time. Another in the electric bell used, which is a lot more accurate than dropping the flag. Lucky Strike won out in three straight heats—and it was a horse race, the first two. In the third Cassie broke a hople, which of course proved a big handicap.

Lucky Strike now has won all his three match races, and if he keeps up his record until spring his owner will have a very cheap horse as he has already earned \$200. In Class B. Pace, Merry Wise went to a break the first heat and the time was slow. The other two heats were good and the time in the last heat exceptionally fast considering the condition of the track. In Class C. Pace, Harry Gratton won the first two heats but got hot after that and could not stand the ice flying up. He was drawn after the third heat and probably will not be raced to ice again this winter, as he is too valuable a horse to spoil. Jack D. won from Dora Wilkes.

The following is a summary:

Acrostock Farmers Buck the Fertilizer Companies Successful

It is reported that 64 farmers in the vicinity of Carleton Clubbed together and refused to pay their fertilizer bills, alleging that the goods used were no good. They were not even satisfied at that and brought suits for damages against the fertilizer manufacturers. Just before the day of trial the manufacturers settled.

A PIONEER OF TOBIQUE PASSES AWAY

William Johnson, Aged 89, is Removed by Death—Well Known in the Old Days

Wm. Johnson, a resident of Burnt Land Brook and a pioneer of Tobique, passed away to his eternal home on February 10. Mr. Johnson was born in Charlotte county July 16, 1832 and was the last survivor of six children. He came to what was then called Foster's Cove, taking up a lot of land and building a house in 1862. In 1863 he brought his wife, one child, father and mother to this place where he lived the remainder of his life. There were then but three other families in the place and he was the last survivor except two who came as children. For a number of years before the railway was built to Plaster Rock he put up the public travelling between Perth and Riley Brook and was widely known as a genial host. Three children, Angeline, the oldest, Enoch and Elsie have passed on before him, also his wife, Mary, preceded him nearly 12 years. Seven children remain, John B. Wm. L., Turvey W., and Mrs. C. A. Hayden of this place; J. Wilson, Oxbow, Mrs. J. W. Tapley, Maple View and Mrs. Harry Grant, Centerville. All were present at the funeral except Grant who was prevented by sickness.

Mr. Johnson had been gradually failing for some years, but was only confined to his bed for three weeks. He passed peacefully away, tenderly cared for in his last days by Turvey and his wife who lived on the homestead, John B. and Mrs. Hayden. He was a member of the Episcopal church for a number of years and died in the hope of a resurrection in Eternal Glory.

The funeral services were held at the house on Saturday. Rev. N. McLean preached from 2 Cor. 5: 1. Rev. A. Hatfield assisted in the services. Abide with Me, Thy will be done, Jesus lover of my soul, and Shall we meet beyond the river? were the hymns sung. He was laid to rest in Burnt Land Brook cemetery by the side of his wife and two children. His death was a great burden to his mind. How easy the soul that has left, This wearisome body behind.

WINDSOR

The Farmer's meeting held at H. L. Dickinson's Friday night was well attended. The farmers seem to be very much interested in their own future welfare. They have always seemed to be content to take a back seat, as it were, but it is not going to be so any more. We were surprised and pleased to hear of the progress they are making since they became an organization. P. E. Dickinson is President, Jesse Tedford, Secretary, of our branch here. The next meeting will be at Howard Paget's, March 18.

Raymond Dickinson has returned home from the woods at Nashwaak, where he has been all winter.

A sled load of young people from Armand and several of own young people met at Mrs. H. A. Smith's last Wednesday night and had what could be called a real musical treat, as they brought several different musical instruments with them. It was well worth listening to, for who does not love good music.

Clifford Dickinson is recovering from a very bad attack of Quinsy. S. H. Hatfield made a business trip to Hartland Friday.
