Colic, Cramps, Dysentery in Horses,

the PAIN KILLER has no equal, and it has never been known to fail to effect a cure in a single instance. It is used in some of the largest livery stables and horse infirmaries in the world. To resuscitate young lambs or other stock chilled and dying from cold. a little PAIN KILLER mixed with milk will restore them to health very quickly. The PAIN KILLER is for sale by Druggists Apothecaries, Grocers and Medicine Dealers throughout the world.

AYER'S Hair Vigor

brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often,

hough not always, cured.

It checks falling of the hair, and stimuates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly baid. I used part of a bottle of Ayer's Harr Vigor, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Ayer's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. It use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1 9: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AVER'S HARR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing." We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR, 1t

needs but a trial to convince the most skepti-PREPARED BY
