KIDNEY GRIND.

South American Kidney Cure the Only Specific for Kidney Disease — A Liquid and Solvent— Never Fails.

Medical Science has proved beyond a doubt that the solid particles which pass through the kidneys in the ordinary course of circulation—and which in time so grind and wear these organs that they become diseased and will not perform the functions for which they were created—require a colvent to dissolve and eradicate from the system these foreign substances, and the great South American Kidney Cure has proven to be the best and most scientific specific remedy for such, and the testimony of thousands who have been cured by it when pill doses have failed is the best demonstration of the fact that a solvent must be administered. If in despair use this remedy.—Sold by E. Lee Street.

If there is palpitation, shortness of breath, pain in the left side, smothering sensations—don't delay, or you may be counted in the long list of those who have gone over to the great majority, because the best remedy in the world today was not promptly used.—Sold by E.
