Another Remarkable Cure of Dyspepsia.

Boston, July 3, 1851.

Gentlemen.—Agreeably to your suggestion, it gives me pleasure to state that some five weeks ago, I purchased two bottles of your Oxygenated Bitters, and commenced using the same according to directions, and experienced the happiest effects. I had been troubled with dyspepsia about three years. During the warm season, and at times, was obliged to give up all attention to business; and although I had the advice of many good physicians, I was confined for six weeks to the house, and continued to grow worse, until I took your medicine; I am now almost cured of every disagreeable symptom, and able to do business as usual.
