

Mrs WINSLOW'S SOOTHING SYRUP.

REV. SYLVANUS COBB thus writes in the Boston Christian Freeman:—We would by no means recommend any kind of medicine which we did not know to be good—particularly for infants.

Brown's Household Panacea. Is the most effective Pain Destroyer in the world. Will most surely quicken the blood, whether taken internally or applied externally.

MUCH SICKNESS. Undoubtedly with children, attributed to other causes, is occasioned by Worms. Brown's Vermifuge Comfits, or Worm Lozenges, although effectual in destroying worms, can do no possible injury to the most delicate child.

DELICATE WOMEN, Palefaced, Sickly Children, the Aged and Infirm, alike are benefited by the Strengthening and Blood Making Tonic of "Harrington's Quinine Wine and Iron."

Local Matters.

Lecture. Dr Barker of Keswick lectured at Nashwauk Thursday evening. Not Correct. The Telegraph stated a few issues ago that one of Audobon's books was lost the night of the fire.

STAR BRIEFS. We omitted to state in our last issue that the late snowstorm was impending. Henceforth the EVENING STAR will be for sale at Cropley's Bookstore.

The Weather. A violent storm prevailed from the northeast yesterday. Snow fell and flew in blinding drifts.

Regional. T.F. Kenny, Esq., M.P.P., arrived here from Andover on Thursday. He went to St John yesterday and returns here to-day.

Wonderful Instance of Anserine Longevity. Mr Thomas Morris, who lives in Upper Keswick Ridge, received a letter from one of his friends in Tyrone, Ireland, a few days ago, and was astonished at being told the following incident:

—THE STAR—for sale at Cropley's.

Communications.

Only a St John Vice.

To the Editor of the STAR. Sir,—Think of it. The Telegraph in calling attention to the coarseness and vulgarity of some of the Reporter's writings on the capital question, and before quoting an ignorantly written letter from that paper, says:

It may be proper to remind our readers, before placing this choice production before them, that the Editor of the Reporter is a lawyer.

Repairing the Old Building.

To the Editor of the STAR. DEAR SIR,—I saw in the last issue of the STAR a communication from "Fredericton," the spirit of which I most heartily endorse.

I think the old buildings could be made just as good as ever they were. I think the old buildings were not so disgraceful as you think they were.

Those men who advocate it, and who will vote for it if they get the chance—and I mean Messrs Elder and Willis—are not earnest. They are trucking to the wild sentiment of St. John.

School Boy and Archer's History. "School Boy" has been playing truant for some time. He is now to the front again.

As it would require a new history to correct all the errors in your book, Mr. Archer, I shall only notice a few, merely to show that my former accusations were not unfounded.

St. Petersburg. (Special to STAR.) ST. PETERSBURG, March 6. It is said the seven men taken into custody by the police at the execution of Modet were arrested for saying that although the present attempt had failed another would succeed.

LAHORE, March 6. A Persian letter states that Shah Day Khan the Governor appointed by the British, has fled from Mohestan.

"WESTERN" FIRE INSURANCE CO.

WE beg to intimate that we have been appointed agents for the above first class company and are now prepared to extend their lines in any single risk to \$50,000.

An Attack on Ireland.

To the Editor of the STAR. The Irish citizens and their descendants of the town of Woodstock are somewhat displeased at an utterance made by Inspector Gaunce at a temperance mass meeting on last Friday evening.

At a time when Mayor Fisher and other charitable persons of Woodstock were doing all they could to raise a fund for the famine sufferers in Ireland, we think it was a cold blooded expression for a public official to make.

Gaunce uttered the sentence premeditated, the Irish people of this county will in future know how to resent it; and we might remind Dr. Raad and the Government that Carleton County is more than one-half peopled by persons from the North of Ireland and their descendants.

To the Editor of the STAR. Mr. Editor, if you have leisure you might let us know what this young man arose from. Is he the young man whose partner was summoned before Justice Marsh for selling liquor?
