THE LAST OF THE GRIT PIONIOS.

Tecumseh and Port Elgin

by Thousands from the Town Improvers.

TECUMSEH, Sept. 26.—Messrs. Hamilton, Cameron, Gibbard, Bell and Dr. Sutherland, Commissioners appointed by the Ontario Government to report on the desirability of the Town of Tecumseh as a summer resort, visited the village to-day. The Commissioners were met at the station by the Reeve and Council, and a number of the leading citizens, and were driven to the Council Chamber, where they were addressed by the Reeve, who welcomed them to the village, and expressed the hope that the result of their visit would be favorable to the interests of the village. Mr. Cameron, in reply, said that the Commissioners had come to see what Tecumseh had to offer as a summer resort, and that they would report to the Government exactly what they found. The Commissioners then visited the Tecumseh House, where they were entertained at dinner by the Reeve and Council. After dinner they visited the Tecumseh Park, which is a beautiful grove of about 20 acres, situated on the shore of Lake St. Clair, about 2 miles from the village. The Commissioners were driven to the park in carriages, and were followed by a large number of citizens in vehicles. The park is a beautiful grove of oak trees, and is admirably adapted for a summer resort. The Commissioners were much pleased with the park, and with the village, and left for Port Elgin this afternoon.

PORT ELGIN, Sept. 26.—The Commissioners appointed by the Government to report on the desirability of Port Elgin as a summer resort arrived here this afternoon, and were met at the station by the Reeve and Council, and a large number of the citizens. They were driven to the Council Chamber, where they were addressed by the Reeve, who welcomed them to the village. Mr. Cameron replied, stating that the Commissioners had come to see what Port Elgin had to offer as a summer resort, and that they would report to the Government exactly what they found. The Commissioners then visited the Queen's Hotel, where they were entertained at dinner by the Reeve and Council. After dinner they visited the beach, which is a beautiful sandy beach, about 2 miles from the village, and is admirably adapted for a summer resort. The Commissioners were much pleased with the beach, and with the village, and left for Kincardine this afternoon.
