WE'RE EASY!
 Five Dollar Greenbacks are Burning Holes in Our Pockets
Do You Want One?
 Save the Alphabet Cards in all Pound Packets of Union Blend Tea, bring to us and get the money
H. W. de FOREST TEA CO'Y.
 Your money back if Purity Flour does not prove entirely satisfactory in the baking.
 DONT simply buy flour from the dollar and cent side of it. Buy high-quality flour. That means PURITY FLOUR. The first little extra cost is more than made up by the extra number of loaves of bread it makes—by the superiority of the bread and pastry in sweetness of flavor and nourishing qualities. Buying Purity Flour is a safe investment. You get large returns, not only on account of Purity's ability to produce more, but because Purity contains the greater nutriment and the vim of a strong hard wheat flour. Food made from Purity Flour gives the consumer health, snap and force, which cannot be gained from the use of the weaker soft wheat flour.
 "MORE BREAD AND BETTER BREAD"
PURITY FLOUR
 You can buy as little as a 7 pound cotton bag or in 14, 24, 49, and 68 pound sacks. Also in barrels and half-barrels
 Purity may cost a little more than some flours but you'll find its more than worth the difference. To be a true mark.
