CHAPTER V. (Continued.)

In the meantime disasters and dissensions continued to disturb the Olympian heights; monsieur lost the duchess' mansion, in such a his temper at almost every second meeting, grossly offended Ceres, insulted Priam, sent two of the Graces home in hysterics from one memor- | had collapsed altogether. able rehersal, all of which contretemps fortune almost threatened to break he didn't refuse?' up her group altogether.

Ten days before the carnival Monit as tradition prescribed and mon-

tle shaded by the pcak of the helmet, she says she won't wear it unless monsieur allows her to stick it! at the back of her head like a Boulerly, he refuses to let the whole ful! group be turned into a caricature just to satisfy the vanity of one woman, she has retired in dudgeon; and her poor aunt-oh, the patience and the angelic perseverence of that sweet woman !- is at her wits' end to know whom to turn to, for naturally the character is very unpopular now, and suitable outsiders, who were not asked to join us at first, won't see the force of coming to the rescue at the eleventh hour.'

But, my dear, isn't Paris' sudden defection a more serious matter

'N-no. I think we can manage about Paris, Dick. Do you remem-

## FOOT BADLY FROZEN

After Escaping From Burning Home. Doctor Advised Amputation

Mrs. Jno. Marks, of Cameron, Ont., narrowly escaped losing her foot. She tells the story this way.
"I had my foot so badly frozen after

ment, and it produced a most remarkable result.

"After four or five applications the frozen flesh dropped off, and the foot began to show signs of improvement. It advanced wonderfully under the treatment, and was soon completely healed.
"Egyptian Liniment certainly saved me from being horribly crippled."
Probably fone of your family will ever get frozen so badly, but a nipped ear or nose or toe is a common and painful enough experience. Egyptian Liniment takes out every bit of the pain, soreness and swelling, and quickly restores the injured part.

'And what is this trouble, Lady

'He is deeply in debt, my dear on the verge of having to give up his profession, to compound with his creditors perhaps; and-and so, to save disgrace, he is thinking of sacrificing himself at a terrible cost, of tying himself for life to a woman he neither likes nor respects -a woman his sister and her husband are forcing upon him in the most barefaced manner, and who pursues him herself in a fashion that makes one blush far one's sex. Oh, I never saw anything like it—never! It is shameful!' shameful!

After pondering perplexedly over this information for some moments -for the very night before, Sir Richard, who had dined at the Villmacque's in the company of this young lady, was quite warm in the praise of her charming manners, modesty, and intelligence, and declared his cousin would be an uncommonly lucky fellow if he succeeded in winning her - I asked omewhat stupidly:

'But why does she pursue him s), if she knows he does not like her, and that he is badly off?'

'Why-why? Because the we man is in love with him, of course 'Oh! And has Captain Nesbitt no other resource, no refuge from his fate; has he no friend to help him?' I asked after a few moments'

to give the slightest hint. Just because Richard helped him through ants belonging to the etage below a few childish college scrapes, his pride and his precious sense of honor revolt against a-
