 PILLEY'S ISLAND, To-day.

The steamer Ingraham with the
 Liberal Candidates on board arrived
 here at five o'clock this evening.
 People had gathered from Port An-
 son, Triton, Rabbits Arm, Brighton
 and neighbouring places and awaited
 the arrival of the steamer. As she en-
 tered the harbor hundreds with guns
 lined up on the loading wharf and as
 she drew near volleys after volleys were
 fired until the visitors landed, then
 hearty cheers rent the air as they
 passed through the streets, the hall
 was not large enough for the immense
 crowd that assembled. At 8 o'clock
 Mr. Jennings, the Union representa-
 tive, opened the meeting and was
 warmly acclaimed. Mr. Cliff followed
 him and received his old time wel-
 come. Sir Robert Bond was hailed
 with delight and the rafters shook
 with cheers that greeted his remarks.
 For more than three hours the
 audience enjoyed a great treat. The
 meeting closed with "God Save the
 King," and for several hours the
 voice of the people again shook the
 building with cheers for Sir Robert
 and colleagues.

Coaker at Port Blandford.

Special Evening Telegram.
 PORT BLANDFORD, To-day.

President Coaker and colleagues ar-
 rived here at six o'clock last evening
 quite unexpected, as no one knew he
 would be here until Wednesday. The
 news soon spread around and at eight
 o'clock he was escorted by the Union
 men, firing volleys of musketry, ac-
 companied by his colleagues, John Ab-
 bott and Robt. Winsor. The meeting
 was held at the new schoolroom, which
 was crowded and also well decorated.
 Coaker lived at Port Blandford and is
 known to most of the people here. He
 was well received here and certainly
 held the best meeting ever held here.
 Not a sound of dissent or a question
 was asked or any interruption, and
 each speaker was generously applaud-
 ed. The President spoke for 90 min-
 utes, and his speech surprised the old
 friends, all of whom had gathered to
 hear him. Two-thirds of the votes will
 be cast for Coaker, Abbott and Winsor,
 as any doubts which existed prior to
 the meeting are all removed now. The
 F. P. U. left this morning for Char-
 lotte-town, where a meeting will be
 held. We can't lose. We are all de-
 termined to vote to save the Union.
 After the meeting the firing party
 again did its duty and the friends es-
 corted the President to the motor boat
 and bid him God-speed. We trust that
 all the Union friends will give Mr.
 Coaker and his colleagues their sup-
 port, which we know he is worthy of.

Record Vote for Hickman and Barrett.

Special Evening Telegram.
 NORTHERN BAY, To-day.

Croble and Whiteway were here
 yesterday and could not get supporters
 enough to hold a meeting. Northern
 Bay will give Hickman and Barrett a
 record vote.

Your Duty.

Nothing to do with the Custom
 House, good friend. Its only refer-
 ence just now is to yourself. Let us
 suppose that you are a man of family
 with sufficient of the world's goods
 to keep them in comfort. Very well.
 You did not reach this satisfactory
 state of affairs without care and
 labour—few men do. Suppose you
 are awakened some night with shouts
 of alarm ringing in your ears. Too
 late then to talk of prudence; too late
 then to say, "If I had only, etc., etc."
 That "if" means too much to many
 forgetful people. Is it not always the
 duty of a self-respecting citizen to
 protect his home and thus provide for
 those within it. Is it any more then
 his duty to those depending on him to
 protect them as far as possible? Can
 you call your property your own
 when it is not insured? The answer
 to this argument is to carry insur-
 ance with Percle Johnson's agency,
 the most popular office in Newfound-
 land and the least expensive.

Obituary.

There passed peacefully away at
 Pushthrough, on September 11th,
 Matthew Camp, beloved son of Joseph
 and Jane Camp, aged 28. Deceased
 had been ailing for a number of years
 with consumption and he fought it
 very bravely until death came. He
 leaves a father, mother, three brothers
 and one sister to mourn their loss.
 Our sympathies go out to them in the
 hour of their bereavement. Being a
 member of St. Thomas, S. U. P. No.

 pects towards their deceased brother.

Minimise The Loss.

Practically farmers may easily
 minimise the loss, due to a backward
 and cold season, by the judicious use
 of Sulphate of Ammonia as a fertili-
 zer.
 Sulphate of Ammonia contains over
 20 per cent of nitrogen, as against 15
 per cent in Nitrate of Soda, and is
 therefore more than 25 per cent better
 than nitrate of soda as a means of
 quickening and increasing the growth
 of crops.
 The use of Sulphate of Ammonia
 has increased enormously of late years
 and it is recognized to be the most
 valuable fertilizer obtainable. By its
 judicious use the production of root
 crops per acre may be doubled, and
 the growth of late crops stimulated.
 We invite the attention of Farmers
 to our special pamphlet on the best
 methods of using Sulphate, copies of
 which will be forwarded free to any
 address on application.
 The price of Sulphate is moderate,
 and our terms are accommodating.

Cable News.

Special to The Evening Telegram.
 NEW YORK, To-day.

Capt. Inch of the Yothmo sent his
 story of the catastrophe by wireless
 last night from the Koonland, on
 which he is being brought to this port.
 Narrative is as follows: At 6.05 a.m.,
 Oct. 9, lat. 49.12 north, long. 34.51 west,
 fire was reported on hold number one
 by the chief officer. At 6.55 a.m.,
 flames burning through number one
 hatch, setting fire to forecastle.
 Stowed ship down and kept before
 wind, which enabled us to put steam
 extinguishers in operation, also three
 fire hose from deck connections.
 Flames gaining rapidly, reaching
 height of foremost light, imprisoning
 water below, who were burned to
 death. In forecastle a series of ex-
 plosions now occurred, wrecking the
 saloon hospital amidships, the compass
 and steering gear being also dam-
 aged by explosion. I gave orders to
 get help by wireless as soon as flames
 burst hatches, it seemingly being im-
 possible to save the ship. I had boats
 provisioned and swung out. Ship was
 rolling heavily. Boats numbers thir-
 teen and five were smashed, but num-
 ber two lowered to water with cabin
 passengers and stewardess in charge
 of chief officer Miller. After this boat
 left the ship she capsized, throwing
 the occupants into the water. She af-
 terwards righted herself and several
 of the crew got back into the boat, the
 chief officer being one of them. Num-
 ber six boat was lowered and got away
 safely filled with passengers in charge
 of fourth officer Langsell. Number
 seven boat in being lowered caught
 under stern of ship, the boat being
 completely wrecked. Meanwhile the
 chief engineer, two seamen and my-
 self fought the fire and apparently sub-
 dued the flames. I gave orders to send
 no more boats away as I had received
 word from the Carmanian that she was
 hoping to be with us by 11 a.m. Life
 belts were served out to each passen-
 ger. Passengers now became calmer
 and food was served out of the gal-
 lery in bunker on account of gasses.
 Water tight doors were closed and
 water was poured down number two
 hatch on fire, but fire was gaining all
 the time. At 11 a.m. the Carmanian ar-
 rived and lowered a boat, but could
 not reach ship on account of high
 seas. I asked Carmanian to look for
 number two boat.

Campaign Opened

IN HARBOR GRACE DISTRICT BY
 GORDON, MONDELL AND GOSSE.

Special to Evening Telegram.

BAY ROBERTS: this Afternoon.
 The Liberal Union team commencing
 their actual campaign in Harbor
 Grace district last night, with a meet-
 ing at Bryant's Cove. It was an un-
 qualified success and is a fair index
 of the great wave of popular senti-
 ment against the Graball Government
 that is sweeping the whole district.
 The candidates were met at the
 Southside, by Abram Morgan, Chair-
 man of the Local Council and es-
 corted to Bryant's Cove, reaching
 there just before dark. The friends
 were on the lookout and gave their
 candidates a wonderful reception, the
 hills simply echoed and re-echoed
 with one continual roar of musket-
 ry, but at night when the demon-
 stration was still more wonder-
 ful. The whole settlement was
 on fire with enthusiasm.

A big crowd accompanied the
 party cheering continuously for the
 candidates, for Bond and for Coaker.
 The volleys from musketry were deaf-
 ening and could be plainly heard at
 Mr. Grace and at Spaniard's Bay,
 which places are both eight miles dis-
 tant. Flash after flash of gun fire
 illuminated the settlement, which
 was in one continual clamor of wel-
 come from shouts and cheers and
 powder guns. The hall was packed
 with voters when Abram Morgan took
 the chair and introduced Mr. George
 Gordon in homely but eloquent and
 telling style. In making his initial
 bow to Mr. Grace District as a politi-
 cian, Mr. Gordon scored the Grab-
 alls with telling effect for their mis-
 management and neglect of local
 affairs; condemned their
 Continual waste of public monies
 and showed how local public works
 were in a worse condition than they
 had been twenty years ago. He was
 warmly applauded and his speech
 was punctuated with rousing cheers.
 Capt. George Gossé, who was the sec-
 ond speaker, gave the appreciative
 audience a pleasant surprise. He
 made an excellent speech and his
 pointed criticism and sarcastic re-
 ferences to the black Graball record
 were enthusiastically received. Cap-
 tain Gossé is an effective platform
 speaker and is a tower of strength to
 the Liberal Union team. He took as
 his subject the great benefits the
 F.P.U. has bestowed on the fisher-
 men and the absolute necessity of en-

surging further benefits from the or-
 ganization by
 Supporting Sir Robert Bond and N.
 P. Coaker.

The meeting was closed by a speech
 from Dr. Mondell, the third member
 of the Liberal team. His remarks
 were devoted to a review of the re-
 cord of the Morris Party. His
 speech occupied an hour and a half
 and even at the end of that time
 the delighted audience were shout-
 ing to the speaker to go on. The
 speaker's exposition of the nega-
 tive programme of the Liberal-Union
 Party was greeted with wonderful
 applause. The meeting closed with
 the singing of the National Anthem.
 The Graballs will not get more than
 six votes out of the total of one hun-
 dred and two in Bryant's Cove.
