## Hr. Grace Notes, Marine Disaster Fund.

A brood of chicken that arrived on April 30th, are very much disappointed with the weather conditions in this country.

Mr. Thomas Wakeley, of Haystack, P.B., was in town on Wednesday making arrangements for docking his schooners here. Mr. W. left for St. John's by the afternoon train.

Nurse Archibald, of the General Hospital, St. John's, is now in town visiting her numerous friends, who are all pleased to see her. Miss Archibald will remain a couple of weeks.

Potatoes are now very scarce in town and it looks as if we will have to depend upon the imported article for seed this season.

Mr. Nichols Shanahan, of Riverhead, and Miss Nellie Ryan, of Spauld's Bay, were married at the latter place on Wednesday by Rev. Fr. Walker. The happy pair arrived in town about 10 p.m. May the groom and his fair bride have abundance of happiness and prosperity.

Mr. Thomas Walsh, of Riverhead, was in St. John's during the week on a business trip.

Mrs. A. Yetman leaves by to-morrow's train for Montreal on a visit to her daughter.

The entertainment given by Mr. Collis on Wednesday night, was a grand success. Mr. Collis's concert is always good, but his present effort seems to eclipse them all. The different numbers were well rendered, while Miss Dixon's recitation was a delight to all present. Half the proceeds will be devoted to the Disaster Fund.

The annual meeting of the C. C. C. Boat Club was held last night. Present: Hon. J. P. Collins occupied the chair and the meeting was largely attended. The reports submitted showed the club to be in excellent standing, and the election of officers for the coming year resulted as follows:—

The officers were installed by Mr. J. P. Collins, who conducted the election in his usual capable and satisfactory manner.

It was announced that the material for the new race boat will arrive by the Morgana and that work will begin as soon as the material arrives. During the meeting votes of condolence were passed to the widow and family of the late Stephen White, also to Mr. and Miss Ryan in their recent bereavement.

After passing votes of thanks to the Press for many courtesies received during the year, the meeting adjourned at 10.30 p.m.

### McMurdo's Store News.

SATURDAY, May 2, 1914. Red Cross Oil will not disappoint you. In all kinds of pain it has proven an over and over again its power soothing and pain relieving. Cramps, muscular and internal, toothache, headache, earache and neuralgia yield to it. In bites and stings of insects it has no rival. As a liniment for general purposes, as well as for sore throat and bronchial trouble it is of surpassing value. Its wide range of usefulness is a strong point about Red Cross Oil. Price 50c a bottle.

Had a glass of that new Lemon yet? No? Drop in this evening and sample it. It's worth while. Price 50c a glass.

### Hospital Filled.

Just now there is not a single cot unoccupied at the General Hospital and despite the great demand for admission by scores of patients, who are here from the outports, there is no room for them at the Institution. Mr. Eli Whiteley is a busy man looking after these people and placing them in boarding houses, etc.

### The Diana.

Yesterday, May 1st, was the last day that the law allows to kill seals, and the s.s. Diana, Capt. Barbour, should arrive here in a day or two. It may be remembered that not many years ago the Diana while coming home about the close of the voyage, practically empty, struck a patch of old seals between five and ten miles off this port and got a load.

### Where Responsibility Lies.

No matter how large, or how small, a business may be, nobody can deny that its Office is the nerve centre of the firm. Every transaction, important or trivial, must be recorded at the Office. An order is received at the Office, its history is recorded at the Office, and finally payment is received at the Office. If the Office makes an error the firm stands the loss. That's why you must be sure that your office is modernly and dependably equipped for the care of all important papers. To do this effectively you need the up-to-date equipment of the "GLOBE-WERNICKE CO." When sixty offices in St. John's have found this necessity this equipment can surely be of use to you. Mr. Percie Johnson represents this world known firm in Newfoundland.—ap17.14

STRANGE SICKNESS REPORTED.—A disease, which is apparently infectious, has broken out at Woody Island, P.B., recently, and two persons have already died, whilst some others are seriously ill. A doctor has been despatched there to investigate and report to the authorities.

DODD'S KIDNEY PILLS MAKING A REPUTATION IN THE WEST

Saskatchewan Man Tells How They Cured Him, After Four Months' Suffering from Backache and Other Forms of Kidney Disease.

St. Phillips, Sask., May 1st. (Special.)—In a new country where changes of climate and impure water are among the difficulties to be surmounted, kidney trouble is prevalent. It is the kidneys, the organs that strain the impurities out of the blood, that first feel any undue strain on the body. Consequently, Dodd's Kidney Pills have been well tried and tested in this neighborhood. They have stood the test. Many settlers tell of backache, rheumatism and urinary troubles cured by Dodd's Kidney Pills. Mr. Otto Oshewski is one of these. In speaking of his cure he says: "I suffered from kidney disease for four months. My back ached. I had heart flutterings, and was always tired and nervous. My skin had a harsh dry feeling; my limbs were heavy; and I had a dragging sensation across the loins. I consulted a doctor, but as I did not appear to improve, I decided to try Dodd's Kidney Pills. I used six boxes, and now I am all right." Dodd's Kidney Pills always stand the test. Ask your neighbors.

### Fakes.

There are so many fakes a mortal's bosom aches, and he to grief gives tongue, so often is he stung! He buys a box of pills to cure his grievous ills, the which they fail to do, and he is sad and blue.

When comes the good old doc, and says they're made of chalk. He takes his roll and goes to buy a suit of clothes; then says the merchant "These duds are strictly right! Of value they are full, and every thread is wool!" And then the poor gaiost takes home the all wool suit, and when it's worn a week it has become a chieft. The trouser legs are shrunk, the coat and vest are punk, and all the cotton shows throughout the all wool clothes. Most everything he buys, from pickles down to pies, from jam to jam, from honey to ham, from caramel to cake, is but a dizzy fake. The ketchup's made of squash, the clothing will not wash, the hair dye's on the blink, and makes his whiskers pink, the horse he bought to drive imagines it's alive, but it's been dead three years—and so he sheds his tears, and sounds his bitter wail, which is of no avail. And when at last he dies he finds to his surprise, his box, which should be oak, is pine—another joke!

Knee Joint Stiff Three Years CURED BY NERVILINE.

Anyone would marvel at my recovery, writes Mr. Leonard Lotham, a young man well known about Chatham. I had inherited a rheumatic tendency through my mother's family, and in my early days suffered frightfully. About three years ago the pain and stiffness settled in my left knee joint. I was lame and walked with a very distinct limp. Nerviline was brought to my notice and I rubbed it into the stiff joint four or five times a day. It dispelled every vestige of pain, reduced the swelling, took out the stiffness and gave me the full use of my limb again. I don't believe there is a pain-relieving remedy, not a single liniment that can compare with Nerviline. I hope every person with pains, with sore back, with lameness, with numbness, with neuralgia—I do hope they will try out Nerviline which I am convinced will quickly and permanently cure them.

If Nerviline wasn't a wonderful painless remedy, if Nerviline didn't quickly relieve, if Nerviline wasn't known to be a grand cure for all rheumatic conditions, it wouldn't have been so largely used as a family remedy for the past forty years. No better, stronger, or more soothing liniment made. Get the large 50c. family size bottle; small trial size 25c.; sold by any dealer, anywhere.

The Show at Rossley's. Last night there was a very good attendance at Rossley's to see the College Widow, and everyone got the worth of their money in laughs. It is a screamingly funny act. To-night begin the last night all should see the fun. There are some very interesting pictures. Friday, May 8th, is set aside for the Big Benefit performance in aid of the sealing disaster. There will be one continuous show, and we hope all will attend who can. It will be the biggest affair ever given for a benefit.

Edward's Excellent Cures. Diphtheria, Whooping Cough, etc.

## K. & A. STORE

The Home of FASHIONABLE REFINEMENT!

The business which has successfully catered to the wants of men of style and good taste for three years past has been moved to more extensive quarters and will be opened to-morrow (Saturday), May 2nd, in the store at

312 Water St., NEXT TO MR. P. J. SHEA'S.

We had to move to a larger building to accommodate the legitimate and natural expansion of the business. It would be unfair to our patrons and ourselves to remain in quarters that were cramping us more and more every day. We have spared no expense in fitting up our new location, which is a fitting abiding place for the home style and correct taste.

As usual our stock will appeal to men of refined taste in garbing, and we will show nothing shoddy, nothing off style. We need not enumerate our lines, they include everything for men's and boys' wear. Old patrons and new friends will be welcomed to our opening to-morrow.
