NOTICE.

TO FISHERMEN, LUMBERMEN and
THE GENERAL PUBLIC:

I wish to announce that we have in our shop the only Vulcanizing Machine in Newfoundland, made for the sole purpose of vulcanizing soles and heels on rubbers and gaiters or any other part of same needing repairs. We do not do it in the old-fashioned way—by cementing the rubber on. We bake the new rubber into the old and put the design on the sole the same as when it left the factory. We guarantee our work and if not satisfactory, return and we will do it over. We also sharpen Hatchets, Axes and Butchers' Knives, also Skates sharpened and attached to boots. Give us a trial and be convinced. Outport work given strictest attention. Come in and see the machine working.
Yours truly,
J. M. MCKINLAY,
Lime St., St. John's.

Harbor Grace Notes.

Through a letter received in town quite recently, we were sorry to learn that Mr. Herbert Heater, son of Mr. John Heater of this town, had met with an accident, while at work in Montreal, during the past month, and from which he received severe injuries. Mr. Heater is an ex-member of "Ours," being one of the Blue Puttee boys, and saw considerable active service during the great world war. We sincerely hope that he is now on the mend, and will soon be able to take up his duties again.

Mrs. J. Baird of St. John's, has been in town for the last few days, the guest of Mr. and Mrs. J. D. Munn.

Mrs. Rachel Thomey, relict of the late Captain Henry Thomey, passed away at her home yesterday morning after an illness of some months. She leaves behind to mourn, their sad loss four daughters, two living in Canada, and two living here, Mrs. William Pike, and Mrs. S. White, with whom she spent her last days; also two sons, Frank, ex-Private of a Canadian Regiment, and Harry of this town, as well as a number of grandchildren and friends. Deceased lady was one of a family which was held in high esteem by the people of this town, and was a daughter of the late Capt. Thos. Green. The funeral took place this afternoon, interment being at the Roman Catholic Cemetery. To the sorrowing family the town extends sincere sympathy.

A young daughter was born to Mr. and Mrs. Cecil Peddle yesterday. Congratulations.

Mr. T. C. Makinson of the Goulds, near Brigus, was in town during the week. His many friends were pleased to see him.

Quite a storm raged here yesterday, and the greater part of the town was without light for the most of the afternoon and evening, which handicapped the shops and other places of business quite a bit.
