## 58 MILES per HOUR 25 MILES to the GALLON 5 to 25 MILES in 8 SECONDS

THIS IS PERFORMANCE:

Sustained speeds of 58 miles an hour; flashing acceleration of 5 to 25 miles in 8 seconds; unrivaled economy as high as 25 miles per gallon, is a combina-tion of performance features found in no other car.

With these salient advantages you get captivating beauty, riding comfort and driving ease thought possible only in cars of much higher price; and durability that results from the utmost quality in design, materials and precise craftsmanship.

What car, regardless of type, near the Chrysler Four price, can even approximate such a combination of

tions celebrate with one accord the and enthroned Himself in the hearts of and as Jean Paul said: "He hath lifted the gates of the centuries off their

conception of childhood. The con- free-man, the democrat, of the twentribution resulting from the evalua- tieth century. tion of the child of the twentieth century as contrasted with that of the

or concubinage." The Greeks with all their learning and culture exposed their puny and sickly infants to die at the base of Mount Taygetus. In lome boys and girls were sold as laves or left to perish on the steps the Forum. The same ruthless disheathen. The Turks slaughter children in their massacres. Infanticide is a daily occurrence in China. To Plato the scholar was the type of his Republic, but to Jesus the child was the type of the Kingdom of God. He set a child in the midst. "Feed my Lambs" is the children's charter. So for the sake of the child the best buildings and schools and the best minds are devoted to the study of child life, developing the Kindergarten, the recreational centres, the public libraries and the schools of higher learning. In His name are the orphans and deserted children sheltered, fed and clothed. Legislators enact laws preventing children from employment in factories and mines that will overtax the physique of the child, and set the family of God, where every huthemselves to the task of creating so- man being will love God as Father growth. Christ emulated the innocency

ion of citizenship. Aristotle could not conceive of a society of the two great laws which Christ conception of God as Father all men Jesus. "A man was a man for a' that." interpreting their message in the He mixed with the poor and humble, terms of a Kingdom of God on rich and learned, endeavouring to earth and crying: raise the lowly, and to humble the "Ring out the thousand wars of old-
