TOWN AND COUNTY NEWS.
GALLOWAY CATTLE.—Mr. Wm. Hood has sold to the Hon. Mr. Skead, of Ottawa, one thoroughbred Galloway cow, and one yearling heifer, for the sum of \$250.

THE HAMILTON STRIKE AT AN END.—We are glad to learn that the strike in Hamilton is at an end. A compromise has been made between Wilson, Bowman & Co., and their men, who have returned to work.

THE GREAT SALE.—Mr. Geo. B. Fraser's great clearing sale has been going on for some days with great success. It will be continued until further notice. Meantime those who want to get really cheap goods should not fail to pay the store a visit.

LECTURE IN ROCKWOOD.—Mr. Dunean, of Rockwood gave an able and interesting lecture on the Telegraph before the members of the Rockwood Literary Institute on Friday evening. We are glad to learn that this Society is in a prosperous condition.

MR. PEARCE'S AUCTION SALE.—Readers in the country will take notice that the sale of Mr. John Pearce's stock, &c., on the 1st of March, will be held on Thursday the 14th March, instead of the 13th as first advertised, as the Fat Cattle Show is held on the 13th.

THE BAND CONCERT.—The concert given by Lawrence's Cornet Band comes off to-night in the Town Hall. As the objects to be paid off the balance due on the Band's uniform, and as a first class programme has been prepared, we hope to see a large audience. The Band deserves every encouragement and assistance at the hands of the citizens.

DIED.—We regret to learn that Dunean McPherson, the young man who was so severely injured by the falling of a tree while chopping on Mr. John McFarlane's farm, in Puslinch, in the early part of the month, died from the effects of his injuries on Thursday last, after great suffering. He was buried on Saturday and the funeral was a very large one.

NEW STORE IN MORISTON.—As will be seen by advt. Mr. Edward Kilmer, will on the 14th March open the store in Morrison, which he has recently bought from Mr. Tyrrell, with a large and choice stock of dry goods, groceries, crockery, &c. As he is determined to keep the best goods, and sell at the lowest price, he bespeaks a share of public patronage.

ONTARIO DAIRYMEN'S ASSOCIATION.—A convention, under the auspices of this Association, will be held in the Masonic Hall, Belleville, on the 13th and 14th of March, when several matters of interest connected with the dairy business in general will be discussed. Several able and scientific men have been secured to deliver addresses on the occasion. Several topics of interest to dairymen will also be discussed.

THE WATERBURY R. R. EXTENSION.—The Galt Reformer learns that the Grand Trunk surveyors will commence the survey of the Branch line of Road which is to be built from Berlin to Waterloo. The length of the extension will be about two miles, and the work of surveying will not occupy much time, so that tenders for the work will doubtless be asked for early in the spring.

SERMON IN BERLIN.—A very successful soiree and conversation, which was largely attended by the people of all denominations, was held in Berlin on Tuesday evening by the ladies of St. Andrew's Presbyterian Church, in connection with the induction of the Rev. J. P. McKie into the pastorate of that congregation. The entertainment consisted of music, and addresses by the Revs. Clarke and Wardrop, of Guelph, and several other gentlemen. The Rev. Mr. McKie gave an address in the course of the evening, and received a very warm welcome.

THE EXPERIMENTAL FARM.—The Galt Reformer says:—"The last and inconsiderate conduct of the Sandfield Macdonald Administration in striving to locate the Agricultural College and Farm at Mimico, was on a piece with the arbitrary and irresponsible character of the policy of that Administration. Without the least regard to the fitness of the land selected they hurried on their scheme for the establishment of the College, with the view to having matters so far advanced as to preclude any change being made by their successors. We are sure the country, and particularly the farming community, will thank the Hon. Mr. McKellar for his thoughtful consideration for their interests, and also for the establishment of an Agricultural College and Farm which will be a credit to the country."

A DISPUTE ABOUT WEIGHT.—Mr. Samuel Ellison, of Wallace, had a letter in last week's Listowel Banner, which he asks us to copy. We can give the gist of it in a few words, premising that Mr. Ellison is not giving the name of the buyer omitted the most important part of his letter. Mr. E. says he sold 25 bags of barley to a buyer not many miles east of Palmerston. He weighed them before he left home. When weighed by the buyer the grain was short of Mr. Ellison's weight 255. He insisted on the grain being weighed again, when the buyer came up 115 lbs., which still left him deficient 135 lbs. for which the buyer would not pay. Mr. Ellison demanded of him to pay for this, but the buyer refused. Mr. Ellison took his next load, which he had himself weighed in his own barn, to Drayton, where the weight tallied with what he had made it. Such is Mr. Ellison's report as given in his letter.

TOWN COUNCIL.

A special meeting of the Town Council was held on Tuesday night. His Worship the Mayor in the chair. Present: Messrs. Kennedy, Snider, Crowe, Bell, Stevenson, Bruce, Stewart, Allan, McMillan, Mitchell, Robertson.

The Mayor read the report of the Tavern Inspector, Mr. Ainley, as follows:—In accordance with instruction from His Worship the Mayor, I beg to submit the following report in addition to that already furnished. By statute I am requested to report that the applicants are fit and proper persons. I may be permitted to state that although a certain number were charged with violating the Statute and By-Law, nevertheless I have no reason to report against any of the present licensed hotels or saloon-keepers. I herewith submit the names of those charged with violating the statute above referred to during the past year—Thos. Ellis, fined \$20; Jas. Parker, do. \$20; Henry Newton, do. \$20; Dan. Hefferman, do. \$20; Fawcett & Coghlin, do. \$20.

On motion the Council went into Committee on the report, Mr. Howard in the chair. Some objection was made by several of the members to receiving the report, as it did not give all the necessary information and did not state whether the parties were fit and proper persons to hold licenses.

Mr. Ainley, being present, made some amendments which proved satisfactory to the members.

The Committee rose, and the report was reported as amended, and on motion it was adopted.

Mr. Mitchell presented a petition from Jno. H. Chase, successor to Mr. Deady, requesting the Council to grant him the license for which Mr. Deady had applied at previous meeting. Referred to License Inspector.

Presentations in Puslinch.
The regular annual examination of the pupils of School Section No. 12, Puslinch, Mr. W. F. Kilgour, Teacher, took place on Friday the 23rd, and gave very great satisfaction to all present. The teacher was assisted by Inspector Rev. J. Kilgour, and Messrs. McPherson, Talbot and Knowles. Quite a number of parents and visitors were present, and the ladies of the section provided an excellent lunch. During the day the company were treated to some choice pieces of music, vocal and instrumental, by Miss Barker, Puslinch, and Messrs. Talbot and Morton, Eramosa. As a proof of the great favour with which Mr. Kilgour is regarded by his pupils, two of the pupils at the close of the exercises—Samuel Kernighan and Abram Rudel—on behalf of the scholars presented him with a handsome writing desk, accompanied by the following address:—

DEAR SIR:—We, in the name of all your scholars, on this day of our examination, present you with this desk as a small token of our love and esteem for you as our teacher during the past two years. Hoping that this will not be the last year you will spend among us, and need our health and happiness, we subscribe ourselves,
Yours affectionately,
SAMUEL KERNIGHAN,
ABRAM RUDDEL.

Mr. Kilgour made the following reply:—
DEAR SCHOLARS:—I am so taken by surprise that I almost impossible for me to reply to your address, but I thank you heartily for your kind gift as a token of respect, and shall ever remember it as such wherever it may be my lot to be cast, and also remember that it was given by the scholars attending S. S. No. 2. I hope sincerely that we shall continue to work in unity and harmony, and I have been doing. No doubt but I have to punish some of you at times severely. Still it is not because I like to do it—far from it—but because I think it is for your benefit, and as a part of my duty. Dear Scholars I have endeavored always to work hard among you, and use the most approved method of study, and shall still do so as long as it is my good fortune to remain with you. I again thank you heartily for your kind gift, and hope that you shall ever prosper in your journey through life. While you are young and in your youth don't forget to serve your Lord and Saviour, for we are so we shall meet hereafter to part no more.
W. F. KILGOUR.

The Late Bazaar.
To the Editor of the Mercury.
DEAR SIR:—In reference to the communication of a "Ticket-holder," which appeared in Saturday's Mercury, permit me on behalf of the "Bazaar Committee" to explain that the holder of ticket No. 650, though his number was published as a winning one, did not in reality draw a prize at all. For the correctness of the printed list we cannot vouch, as before publication it had to pass through other hands. In two or three instances the numbers are inaccurate. But in the books of the Committee we do not admit of any error. We know them to be correct in every instance, and where any apparent mistake, reference to the original list in all cases determine dispute. While I do not blame "No. 650" for his own anxiety and persistency in seeking a prize which he was led to expect but did not win, I regret that he should have ventilated his supposed grievance through the press without having any real cause in all cases determine dispute. While I do not blame "No. 650" for his own anxiety and persistency in seeking a prize which he was led to expect but did not win, I regret that he should have ventilated his supposed grievance through the press without having any real cause in all cases determine dispute.
