 Trade better than Ever!

Over Thirty Thousand Dollars worth more Goods sold this Spring than last, and there will be more in the future, for we are determined to keep prices down in spite of increase in the tariff. Every one remarks the great business doing at THE LION. Of course it must be so,—our stock is larger than any six stocks in Guelph, and our prices so much lower, and the people find out these things, and go where they get the best value for their money.

We have received a specialty this week of over one thousand dollars worth of Double Ballou's Kid Gloves direct from French makers, that we will sell at one dollar a pair; elsewhere you pay from \$1.25 to \$1.50 for the same.

Also, French Silks in all the newest shades in plain, striped, and shot, at \$1 worth \$1.50 a yard.

Another lot of lovely Dress Goods in Plain Lustres, Zebra Stripes, Australian Grapes, and Polka Spots.

**Chinese Tale of Horror.**  
 Yesterday morning the presiding magistrate of the quiet city of Changhai was aroused from his dreamy slumbers by the appearance of a wife-deceived and avenging husband, who produced from a cloth wrapper two human heads, which represented his wife and guilty companion. One version of the tragedy runs thus:—The injured husband had, through his employment upon a steamer, been absent from home for very long periods of time, during which the cause of evil was contracted, and at the close of the old year the husband returning home to enjoy the usual festivities found his neighborhood all alive with the story of his wife's unfaithfulness. These live coals of tale-bearing gave additional heat to his anger, but he contrived to conceal his feelings from his wife, and hurriedly left home under the pretence of going to Hankow, but instead of leaving he, with a few trusty friends, secreted himself in the neighborhood, prepared to obtain a cruel redress before the fire of his anger cooled down. The unfortunate man, ignorant of the fatal trap, entered the house of the woman, and both being surprised were secured by the watchers, who speedily severed their heads from their bodies and carried the former to the district magistrate. There will be a trial, but the whole piece of legislation is a mockery. The guilt or innocence of the murdered will be decided by test. Both heads will be put into a large tub of water, and set in motion by vigorous stirring. If the heads meet face to face, behold a clear proof of guilt! If not, then all the worse for the avenger. Such is the power of custom—custom more cruel than law—for it demands the death of both. It is said that if a man had but killed the intruder he would be liable to punishment for murder. But having effected a double murder, he escapes with a mere formal whipping and receives a reward of \$20,000 cash. The district, to purge itself of such evil, destroys the bodies of the dead by cremation, and the very piece of ground rendered unclean by the evil must be plowed up before the virtuous venture to dwell there.—Shanghai Courier.
