WEST LAMBTON.

SARNIA, Feb. 10.—The West Lambton
Reform Convention to-day was one of the
largest and best ever held in the county.
The Town Hall was filled to the doors. Mr.
Trotter, of Petrolea, president of the West
Lambton Reform Association, was in the
chair, and Mr. George Leys, the secretary,
attended to the duties of his office. The
credentials handed in showed a full representation present from every municipality in the riding. The unanimous nomination of the convention was tendered to their
former representative, Mr. Jas. F. Lister,
who responded in a powerful speech, traversing the alleged reasons given by the
Government for dissolving Parliament in
spite of pledges given to the House and the
country, and in violation of the constitutional rights of the people. Mr. Lister's
telling arraignment of Sir John Macdonald's administration aroused the enthusiasm
of the large audience to the highest pitch.
He was followed by Mr. Graham, ex-M.P.P.,
who said East Lambton was ready to
do its duty on March 5, and show Sir John
Macdonald that his reign of deception and
humbug is at an end. Mr. Charles Mackenzie also delivered a practical address on
the great public issues the people have been
called upon to decide.

Strong resolutions in support of the
Liberal policy and the leaders of the great
Reform party were carried amid the
heartiest applause. A vote of thanks was
given to the chairman, and, with cheers
for the Queen and Mr. Lister, the convention closed. The feeling throughout the
riding is one of unbounded confidence in
the result of the election, not only in West
Lambton but throughout the Dominion.

KINGSTON, Fob. 10.—The Reformers of Kingston do not remember a more enthusiastic mecting than that held in the Golden Lion block last evening. The two large halls, each capable of holding probably 800 people, were packed to the deors with voters, the majority of whom were workingmen. Never before in the history of political campains have so many workingmen congregated together in the city. J. D. Thompson, president of the Reform Association, presided, and in his opening remarks stated that Mr. Gunn, the winning eard, had accepted the nomination of the Reformers worked together in harmony. The meeting indorsed the nomination of Mr. Gunn with mighty cheers. All through the evening they thoroughly indorsed the speeches made, and more particularly those which pictured bright times in the result of unrestricted reciprocity, the best market for the consumer. For a Spiritual Song.

A Christmas Story.—A poor country congregation found itself badly in want of hymn books. The clergyman applied to a London firm, and asked to be supplied at the lowest (church) rates. The firm replied that on condition the hymn books contained certain advertisements, the congregation should have them for nothing. Necessity knows no law, and the ministor sorrowfully complied, thinking to himself that when the advertisements came they could be removed from the leaves. The hymn-books arrived, and—joy of joys—they contained no interleaved advertisements. At the thanksgiving service the tgood parson joyously gave out the vertisements. At the thanksgiving service the 1900 parson joyously gave out the Christmas hymn, and the congregation sang the first verse with fervor. When they reached the last line they found that this was what they had been singing:

"Hark! the herald angels sing. Beecham's Pills are just the thing; Peace on earth and mercy mild. Two for man and one for child."
