MAY 17.

The governing sign of this birthdate is Taurus, the sign of the Bull and a very difficult sign to overcome. It takes but little to arouse a Taurus person to anger, and when once aroused, they are utterly unmanageable. They are not comfortable people to live with when they are unawakened and undeveloped. They roar and kick under the slightest provocation, and at such times have no regard for people or furniture.

Words infuriate them and they cannot be touched by mental argument or moral suasion, and the best thing to do for them under thesa circumstances is to leave them entirely alone.

The wives of undeveloped Taurus
