MACDONALD PREDICTS WORLD LEAGUE NEXT YEAR

BRITISH PREMIER PREDICTS A DAY OF WORLD PEACE

Hopes Next May Day Will See League of Nations All Embracing.

GREETINGS TO LABOR

Ramsay MacDonald's May Day Message Is Made Public Today.

Associated Press Despatch. London, April 30.—Prime Minister MacDonald, in his May Day message to Labor and the socialist movement. made public today, expresses the hope that another May Day will see the league of nations transformed into "an all-embracing parliament of peoples" and predicts the coming of a day of international peace. The message follows: "It is a greater pleasure than ever this year to send May Day greetings to all our com-rades of Labor and the Socialist movement at home and abroad. The day of international peace which we celebrate in our May Day is assuredly coming. The nations, tired of conflict and disillusioned of their war hatreds and war mentality, are seeking new paths that make for friend ship and security.

other May Day the league of nations may become an all-embracing parliament of peoples and I venture to think that nothing could more fittingly mark that great achievement than that the first law of the league day of world friendship-a day sol emn with the remembrances of the futilities of ancient feuds and vital with high hopes for that great human companionship for which mankind is destined."

EVIL COMMUNICATIONS COME ABOUT THE FIRST OF EVERY MONTH

The Quest. Norma: "Has Madge gone away for the summer?" Elsie: "No, for a husband." -Mrs. M. P. Kelly.

Mr. Traprock Goes Golfing. "I am reminded of an experience the time I won the Blue Grass Cup in Kentucky," said Dr. Walter E

Traprock. "Do tell, doctor," I urged. "Well," said the great traveller, "it was like this. I had come through to the finals and was pitted against Harry Bardon. The match had an international flavor and excitement

an high in both countries "Waiters from the club followed us about with mint juleps. From the tenth hole, where we were even up was nip-and-tuck. First I would take a nip and Harry would take a tuck, and vice versa. We were six lown to each other on the eighteenth Bardon, in an attempt to pitch ever with his mashie, succeeded only in pitching over on his face, but on the second attempt landed nicely about twelve feet from the cup. Whether it was the sight of so much water or the strain of the match was frankly nervous. However, A move to have all bands in Lon- stood up, addressed the ball in a few

"It is a mighty good idea," declared Lieut. Irwin, "and while I have not nterviewed other musical organizations on the proposed scheme, I feel hat they will lend their assistance o provide for the boys something."

little hardship on the members, as the number of bands in the city could so arrange plans that one concert a month would be all that would be required from each band.

Gentlemen, I said, turning to the gallery, 'the match is not over, but I must ask you to be patient. I think you will find my ball on the green.' I then waited the exact length of time I figured it would take my ball to travel up through the pipe, into the tank and out again to the eighteenth green, which being the nearest to the clubhouse, was the first in order of distribution. Imagine their amazement when I finally walked over to the hose connection, turned the faucet and saw my ball drop out on the edge of the green. "Bardon was so overcome that he took three putts and two juleps to hole out. I holed from the edge o the green and the cup stayed in America. And that, sir, was the tightest match I was ever in."
